**Volume Number 18**

**September 2000**

**Issue Number 3**

The object of this chapter is to preserve in patriotic reverence the memory of those who served in the **JUMPING MUSTANG BATTALION** of the First Cavalry Division and it's associates of the Vietnam War from 1965 - 1971; to support and enhance the fame and glory of the Battalion; to maintain and strengthen the bonds of comradeship which distinguished the men of the Battalion; to provide for the gathering and dissemination of information concerning these men; to provide for the patriotic assembly in local and national reunions, and to perpetuate the "**JUMPING MUSTANGS Drive On All The Way**" spirit as to heritage and tradition for future generations. Last but not the least, "**JUMPING MUSTANGS**" gather each year in reunion to participate in a memorial to those who have died and to the one man still listed as missing in action.

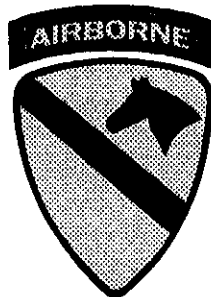

Without distinction as to creed or heritage we offer our united prayers in their behalf to our maker. We pray that their sacrifice may not have been in vain. We grieve for their loss as we would for our own sons and brothers.

## MUSTANG 6:

Our FIFTEENTH REUNION, in Fayetteville, NC 20-23 July 2000 is now history. What a great get together. One of our finest thanks to Pappy and Ginny Loughran, Bobbie and Donald Gibson, Jane and Jim Knafel and all the others who assisted. You did a fantastic job.

The Memorial Dinner on Saturday evening was the high light with over 225 members, family and friends attending. The emotional Memorial Ceremony will be etched in our memories forever. A number of spouses of those who have passed on to Valhalla were present providing interchange of support for all. Several of the spouses and family members spoke a few words, greatly enhancing the ceremony and reinforcing the fact that "We are a Family, the Jumping Mustang Family". Frank Vavrek and Keith Heater (Active Duty), both in uniform, carried the boots, helmet and rifle forward.

Prior to that the colors including the full battalion colors of the 8th Cav (provided by a friend), were posted by uniformed active duty members of the 17th Cav, part of the 82nd Abn Div. The lighting of the candles was accomplished by members and for two of our companies, by spouses of those who passed on. Chaplain Roger Talmadge gave an eloquent prayer. A most impressive ceremony. I think all benefitted from our remembering and paying homage to those who paid the supreme sacrifice.

The Dinner Dance on Friday evening was well attended and with a buffet type sit down dinner. The Holiday Inn Bordeaux did a great job in providing tasty,

delicious and well served food. Fun was had by all, old and young, dancing the night away with tunes from a local DJ. It was wonderful to see so many of our young people present, children, grandchildren and others. All so bright eyed and bushy tailed. I have watched many of them grow up during the past fifteen years.

The Ice Breaker was well attended Thursday evening with a buffet type sit down dinner. Well attended and fun by all. An opportunity to reminisce and exchange experiences and renew friendships and associations.

Our Hospitality Suite was spacious and well used. Snacks were available thanks to Carol Edwards and her husband as they always do. Mike Price, our newly appointed Quartermaster, had a plentiful supply of T Shirts and Caps as well as other items. The policy was established by President Nash, that all proposed sales of items for sale in the Hospitality Room, must be co-ordinated with Mike Price. Give him your ideas and thoughts. He is the Quartermaster.

Highlight on Friday morning was a visit to a display by the 17th Cav, Airborne, with a splendid display of a Black Hawk, and OH-58, vehicle mounted TOW and a vehicle automatic 40mm cannon plus a small arms display. Brought back many memories. Several of our members in the auto convoy were lost getting their, showing the need for some map reading classes. Afterwards we had a delicious lunch at the Fort Bragg NCO Club.

Highlight on Saturday afternoon, was a visit to the new Airborne and Special Operations Museum in the new

18 million dollar facility in Fayetteville. We had an excellent tour and saw where our 1/8 Cavalry Monument will be. The Museum has its grand opening on 16 August 2000. As you know, last year members made donations to pay for the monument. The few left over funds were donated to the Jumping Mustang Fund.

In the election Saturday morning, we elected Bill McCarron the new Vice President. The current Secretary, Kevan Mynderup, did not wish to continue so Harvey Auger was unanimously elected Secretary as were the other members of the Executive Board, to continue (Jim Knafel, Treasurer; Glenn Sheathelm, Public Information; Dave Bowman, Historian and Roger Talmadge as Chaplain). Fred Carrazales resigned as Bugle Editor after several years of outstanding dedication and service. Our thanks to you Fred for a job well done. Bill Hawkinberry is the new Editor of the Bugle.

We confirmed the Gulf Port (Biloxi) area in Mississippi as our 2002 Reunion Site. Roy Martin the sponsor. We considered sites for 2003, Providence, Road Island, being one of them. Our SIXTEENTH REUNION will be in Spokane, Washington 18-22 July, 2001.

In other business we voted to donate the sum of five hundred dollars (\$500.00) to the 1st Cavalry Division Scholarship Fund, in the name of our only missing in action member, Randall S. Ellis, Hq Co 1968. One of our members children has already benefitted from the Scholarship Fund.

President Nash tabled the voting on the By Laws Up Date, appointed a committee of four members to review and receive recommended comments from members not later than 1 January 2001. Active members will be provided a copy of the proposed By Laws about 30 days prior to the next Reunion where it will be acted upon. The Members of the Committee are Al Schroeder, Jim Laurie, Tom Frye and Ken Mertel (chairman). Members present, received a proposed draft. Send your comments to any member of the Committee, mail or E mail by the deadline.

We had over forty five (45) new members present. The largest increase in membership ever. These included a lost Bn Comdr, Prichard Adams, 1968; Joe Marm (MOH at the Ia Drang), A Co 1968; John Herman, S-3 & Ex O, 65-66; Bill Smith C Co Comdr 65-66 and many others. A Co had a number of members present, with a skull session in room 666 for most of the reunion. Many

members of C and B Co reviewed the battle of Crazy Horse in May 66 to assist Glen Sheathelm, writing an article for publication.

Tom Brett is trying to organize a trip to Vietnam possibly in year 2001. Contact him for details and information. (See Roster).

One reason for the increase in members was because of the dedication and ingenuity of Stan Buckmaster in locating lost Jumping Mustangs. He has been officially appointed our Recruiting Officer. You are doing a great job, Stan, charge on. Also helping to find those lost, is our Home Page, thanks to the efforts of Jerry Conners, our Official Web Master. Well done Jerry. He was not present to receive the plaque prepared for recognition of his efforts, due to other commitments. He will be there next year.

Bill Mozey, Roy Martin, Pappy Loughran and Ken Mertel were privileged to be interviewed Friday morning by Terry Jordan on his talk show, 1100-1200 hours on local radio station WFNC, News Talk Radio. Many of the local citizens knew the Jumping Mustangs were in town.

We closed the Reunion Sunday morning with a continental breakfast and a stirring closing prayer by our Chaplain.

Again, a great Reunion. Thanks to Jessie Lopez, our President (who could not be with us) and all of our Executive Board and members who made it all possible. Many thanks for a job well done. See you in Spokane.

If you know of anyone not on our E Mail list, please let me know.

We have established contact with the 1/8 Cav at Fort Hood. LTC Abe Abrhams, the Bn Comdr. He is setting up a procedure to select one member and fund for attending future reunions. We appreciate the support, they are known as the MUSTANGS.

HONOR AND COURAGE, DRIVE ON ALL THE WAY, MUSTANG 6, Ken Mertel

## PAPPY & VIRGINIA LOUGHRAN:

First of all, we want to thank all who attended the 15<sup>th</sup> Reunion here in Fayetteville. Your participation was responsible for making this reunion so successful. We are anxious to know who won the book "Word of Honor" by Nelson DeMille which was autographed by the author specifically for the Jumping Mustangs Reunion. Would the winner please drop us a line?

We would also like copies of any videos which were made during the reunion. If you made a video, would

you please send us a copy of it? We will be more than happy to reimburse any copying and mailing costs.

## TREASURER'S REPORT:

New members to be welcomed: James Wise, Bruce Browder, James Busek, Kurt Robinson, Ernest Haight, Earl Watters, Samuel Ault, James Clark, Stan Harrell, Ronald Carter, Gary Schauer, Roy Pittman, Jesse Ivery, John Dennison, Douglas Asher, Jack Belcher, Jerry Watson, James Beard, Thomas Paulovitz, Eugene Colgan, John Patrick, C.C. Funds on hand on 31 December 1999 were \$11,009.17. Included is \$2185 for the Historical Fund. Finances were audited by Bill Hawkinberry, Gary Cantwell & Rich Washington. If you would like to do the audit next year, call Jim Knafel.

During the 2000 Reunion, 103 members attended various functions. 233 people attended the memorial dinner, 160 the ice-breaker, & 180 the dinner dance. We sold approximately 300 shirts, 30 license plates & 50 hats.

Eleven members participated in the golf outing. Harvey Auger's and Roy Martin's teams tied so the prize money went to the beer fund as a donation. Bill McCarron's team finished last - AGAIN! I need to get on another team.

There were lots of nice door and raffle prizes given away this year. If you would like to donate something for the raffle and or door prizes next year, please contact Jim Knafel or bring them to the reunion. Nash Arranda won the 50-50 and his share was \$322, which he promptly donated to the general fund. We wish to thank him for this generous act. I also want to thank everyone that donated something for a door or raffle prize. It was appreciated by all, especially the ones who won a prize.

Received donations from: Jim Laurie, Bill Mozey, Chico Stone, M.C. Vickers, James Sloan, Jack Peevy, Gary Schulz, and many others who gave at the reunion and whose names I could not keep track of. If I forgot your name, please accept my apology.

Had a letter from Sam Rader. He is feeling better and wants to thank all those who sent cards. He hopes to make the next reunion.

Jim Knafel, (219) 244-3864.

## A LOST JUMPING MUSTANG

by Glenn Sheathelm

I recently received a letter from a Bill Wilson who knew David J Canales and was with Alpha Company in 1965-66. He trained with the 11<sup>th</sup> Air Assault, but didn't go over on the boat because he went to a school. He says he arrived in Vietnam in time to jump the C-130, but he says most of the people jumped from helicopters because of other commitments of the C-130.

He also remembers the first night air assault and says that it was his first that wasn't training. His view of it was that there were tracers going every which way that were red and blue-green. He remembers the terror of going down into that and the amazement that he got off the helicopter without being hit. He also remembers the guys from Alpha Company fixing bayonets the next morning and heading down the hill to the tree line.

He found that reaching the tree line and finding the NVA had left to be a major relief after spending the previous hours expecting not to survive his first air assault.

If you knew him in Vietnam, some of you Alpha Company troopers may want to contact him and invite him to join. I've sent him a note and Jim Knafel's address, but I know he would appreciate hearing from the people who served with him in Alpha Company. His address is: Bill Wilson, 10005 Begonia Rd., Ore City, Texas 75683. His phone number is (903) 762-1012.

## LOOKING AHEAD TO 2002

Some of you may remember going to Biloxi in 1989 for the reunion. At that time we were part of the groundbreaking for the **Mississippi State Vietnam Veterans Memorial** and participated in a candlelight ceremony. The memorial is now almost complete and we will be going back there again to participate in the ceremonies in 2002.

Roy Martin has played a big part in getting the memorial built while he was working with the VA and since he has retired. He is justly proud of the memorial. There are some states that still don't have Vietnam Memorials and my home state of Michigan is one of them even though there a few nice county memorials. It takes some excellent people to keep the project focused

from initial fund raising to completion and Roy has been one of those in Mississippi.

What makes the Mississippi Memorial unusual is that it has 8X10 inch photos built into the memorial.

The people responsible have sought photos of all the KIAs and MIAs and although there are a number of names without photos, the memorial has a very good representation of those who will remain forever young.

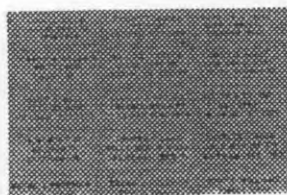

The MIAs are on a wall separate from the KIAs and there is a walkway of others who served from Mississippi and units are also represented, including the "Jumping Mustangs." a Huey with a 1<sup>st</sup> Cavalry patch on the front is also on the grounds as are flags of the allied nations that participated with us in Vietnam.

West Wall and POW/MIA Wall

There

are recreational things to do in the Biloxi area which has casinos and fine restaurants. A trip out to Ship Island was also interesting. In spite of the name it is not covered with old rusting Liberty ships. There is a rather interesting fort on the island

that dates from the coastal defense building boom which was a direct result of the British burning Washington, D.C. during the War of 1812. I also remember games on the beach and shallow waters with the families of David Duckworth and Woxie Lyday who were much younger then.
