Dear Mr. Asheson:

It is with pleasure that I am forwarding the inclosed Certificate of Achievement, and the letter of congratulation from Mr. Daniel Z. Henkin, Assistant Secretary of Defense (Public Affairs.)

You should be justifiably proud of having been awarded First Place in the Annual Department of Defense Newfilm Motion Picture Photography of the Year Competition, Action Category. Your noteworthy achievement is gratifying evidence to me of the high standards which you set for yourself as a newfilm photographer. Your professional effort in this field has brought great credit upon you and the Department of the Army, and has enhanced the Army's efforts in the field of public information.

Congratulations on your award.

Sincerely,

Signed)
