RE: P
Dear General Pickett:

I would like to thank you and your staff for your prompt response to our request for motion picture coverage of an air assault in Vietnam. The first shipment of film has arrived and the quality of the photography is excellent.

The film is now being edited and a sound track added, and I expect that with the material you furnished we will be able to produce a film that will greatly enhance our artillery tactics instruction. Again thanks for your excellent cooperation.

Sincerely,

Charles P. Brown
