

Hi Ted,

In response to the newsletter, Wendell sent me an email with a couple of pic's attached. I put this together to file with the Daspo stuff I collect. Just another thought for power point.

Always,

Stewart

A handwritten signature in black ink, appearing to read "Stewart". The signature is fluid and cursive, with a long horizontal line extending to the right from the end of the "t".

**"Almost got that Purple Heart! When I was being checked into 3rd field hospital, so was some infantry unit that was pretty bad. Someone was taking information for Purple Hearts and wanted my name. I told him my injury was not combat related and he said it was ok that no one would know the difference. I said, I will."**

**"Do you remember Mike Laley? He and I went on a mission to photograph some artillery unit. We went up in the choppers, and when the choppers set down, we went with the infantry instead. We thought it would be more interesting. We were listed as missing for a whole week."**
