Hi Mom and Dad

Have Tom and Mary moved yet? Could you send me the county Registrar address again, I left the old one in Vietnam.

The Kennedy family is sure a marked family. I couldn't hardly believe the assassination it sure was terrible.

As soon as I get back from my next trip I'm going to start restoring my car. The paint job that was on my car is cracking they didn't do it right so I have to take it down to the bare metal. There isn't any rust anywhere on the car, ~~the~~ the engine is in good condition and I have a brand new interior. I'll send you some pictures the car is really sharp.

I have some great news. My footage that I shot the day I was hit up in Hue was shown on ~~the~~ Hartley and Brinkley May 25th. My C.O. was really pleased.

It sure made me happy. The footage was only 3 min. long but thats quite a long time for a news short.

I'm going to be a Godfather in an hour from now. I didn't know what kind of a gift to get so I got the little girl a stuffed animal.

Thanks for the pictures send more when you can. I shaved off my Mustaches. It got to be a pain.

I'm suppose to leave again around the 10th of July so I don't know if Louaine is coming over or not. She said she is planning on going to school here.

Well I have to start getting ready so take care and have fun this summer. By the way what did the kids say when the heard I got hit I bet Susie had some crazy remarks. Take care.

Love

Tim
