7. SUMMARY OF ACTION (TO INCL SPT)		
<i>CAV Units (Ranger teams) will not be inserted at any time north of line blue without first receiving clearance from G-30P. There was an incident on 25 July where one Ranger team inserted into the 54th Regt AO without clearance. This agitated the 54th Regt which is understandable. The chances of friendly fire incidents as a result of confusion of this nature are great. No Ranger Teams will insert outside of the CAV AO until G-30P is informed, confirms the clearance,</i>
