0931 Received a call from Maj M^cClintock stating that Gen. Berry commented on the Cav's missions. Gen. Berry said that passing a generalized mission, ie. recon of RZ 6, was "unrealistic" in this weather. He said troops should receive ^Aa specific mission with a top priority attached to it, and he passed the general's choice of specific missions for each troop:

A) Troop: VR 616 with emphasis on interdiction points

B) Troop: VR 547 to the junction of 548

C) Troop: VR the lower A Shau with emphasis on locating the 6th NVA Regt.
