1 0001 (1) Journal opened
 (c) The following areas are submitted for visual reconnaissance by the 2d Squadron, 17th Cavalry on 2 July 1971. Essential elements of information are provided for each area.

2. The road spur between XD748390 and XD977509. To determine the status of the spur and the extent of enemy activity in the vicinity of the spur. To determine enemy efforts to upgrade and connect the spur to other trails/roads in the area.

3. Construction of a new road between XD785645 and XD785665. To determine the status of the road and enemy activity on the road. To determine enemy efforts to connect the road to a new north-south road beginning on Route 608 extension at XD779539.

4. Red Devil Road. To determine the status of the road and to locate suitable observation points along the road. To determine the extent of enemy traffic along the route.

5. Vicinity of XD788445. To locate a suspected enemy cave/tunnel complex in the area and to determine the extent of enemy activity in the vicinity.
