MEMO FOR RECORD

AO EXTENSION REQUEST:

1. Per discussion with Cpt Fellinger the following is submitted to document and substantiate the AO extension.

a. Extension coordinates are from YC 7371 to YC 867710 and north to close at 101st Division AO.

2. Recent patterns of activity as noted by 2/17th Cav would tend to indicate that the enemy is perhaps observing the 101st AO boundary.
