Visual Reconnaissance for 9 October 1971 (U)

ACofS, G3

ACofS, G2

8 October 71  
Cpt Brundage/afs/5316

1. (C) The following areas are submitted in priority order for visual reconnaissance on 9 October 1971. Essential Elements of Information are provided for each area.

a. 2-17 Cav:

(1) Southern A Shau Valley and Ruong Ruong Valley. To determine the trafficability and extent of construction on the road reported vicinity YC8588-YC8290. To determine the extent and type of activity vicinity of FB Fury, FB Thor, and FB Nuts and in the Ruong Ruong Valley.

(2) Rte 9222 area and in the area vicinity of FB Destiny and FB Rocket. To locate truck parks and caches near Rte 9222 and to further develop the area north of FB Cunningham. To locate trails, caches, and supply points south of FB Erskine to the border. To determine the extent of activity on northern Rte 548. To determine the type and extent of activity in the Rocket-Destiny area. To support a sensor implant operation in the vicinity of YD1519.

(3) Rte 616 extension and the Da Krong Valley from FB Mink to FB Shiloh. To further exploit the Rte 616 extension area and to take hand held photos of the route to show recent construction activity and its current trace. To determine the extent of activity in the Da Krong Valley between FB Mink and FB Shiloh. To detect any indications of movement and direction of movement east and south of FB Shiloh with emphasis on Rte 616.

b. 3-5 Cav; QL-9, Rte 608 extension, Rte 608, and Greene-Alpine Road. To conduct route reconnaissance to determine the extent of activity and direction of movement on these routes. To locate caches/construction sites along these routes. To determine the extent of road construction activity in the vicinity of new culvert reported at the junction of Rte 608 and Red Devil Road and west of the junction of QL-9 with Rte 616 extension. To determine the extent of infiltration south along the eastern DMZ.

c. Bilk FAC: Rte 616 extension. To assist 2-17 Cav in VR of the route. To locate construction supply sites/bulldozers/truck parks along the route.

2. (C) 220TH RAC: Rte 616 extension and QL-9 from intersection with Rte 616 extension west to the border. To determine type and direction of traffic on the routes. To take hand-held photos to determine construction sites and current trace of Rte 616 extension.
