SUBJECT: Combat Operations After Action Report (MACV/RCS/J3/J2)

27 June: The 1st Recondo Bde continued Opn Toan Thang in Long An Province with 4 Inf Bn's (2-3, 2-39, 2-60, 6-31), 2 Mech Bn's (2-47, 5-60) and 1 Air Cav Trp (A/3-17). Subordinate units continued local security and patrolling, convoy escort, night AP opns and preparation for future opns. The 2-3 continued daylight and night AP opns in the Saigon C1/C2 rocket belt areas. Co C conducted RIF opns vic XS849781 commencing at 271400H and will RON vic of this special intelligence target. Co B and elements of HHC/6-31 Inf were placed OPCON to 2-3 Inf at 271200H to assist in rocket belt security. The 2-39 conducted local security patrols, road sweeps and dried out in preparation for future opns at their Rach Kien Base Camp. At 270915H, vic XS798728 a road sweep party made contact with an estimated 5 VC. SA and AW fires were exchanged and contact broke immediately. Neg US casualties. VC losses unk. One plat from Co E was airlifted from An Nhut Tan to Rach Kien, closing at 271246H. Co A was inserted AML into a Bushmaster AO (XS6470 - 6670 - 6672 - 6472) with the Long An Prov CRIP closing at 271309H, with a CP at XS643705. At 271443H, vic XS653443 Co A located a large bunker complex and a small amount of medical supplies. The bunkers were constructed with wooden floors. The area will be kept under surveillance and an airstrike placed on it in the near future. The 2-47 continued DISCOM/Engr convoy security, local AP opns and prepared for future opns without incident. The 2-60 continued local security and drying out in preparation for future opns. Co C was inserted into a Bushmaster AO (XS5767 - 5967 - 5969 - 5769) by vehicle and on foot closing at 271700H. The 5-60 continued local security patrols, road sweeps and prepared for future opns in Binh Phuoc. Co B (-) was inserted by APC into a Bushmaster AO (XS5460 - 5660 - 5662 - 5462) closing at 271600H. One plat of Co B was inserted AML at 271710H vic XS645612 to investigate a special intel tgt. They will RON at that location. The 6-31 conducted local patrolling and AML opns. Co C was inserted AML at 270757H vic XS601685. Co D was inserted AML at 270834H vic XS611686. At 270815H, vic XS602690, Co C found and destroyed 4 bunkers. Co D continued RIF opns vic their LZ without further incident and were extracted AML back to their CP (Tan An Air Strip) closing at 271142. Co C was extracted AML back to the Air Strip also closing at 271210H. Co B was inserted vic XS805770 (AML) to RON vic a special intel tgt at 271615H. The Co will RON vic the LZ. At 271715H, vic XS803772, a Co B security patrol found 10 sand bags full of C4. The C4 was returned to the Co CP and will be extracted at first opportunity. A/3-17 Cav continued armed aerial recon throughout Long An Province. At 270920H vic XS863627 a scout team spotted 10-15 bunkers which appeared to be frequently used. Neg activity in the area.

28 June: The 1st Recondo Bde continued night AP, convoy escort and multi-bn RIF opns in Long An Prov with 4 Inf Bn's (2-3, 2-39, 2-60, 6-31), 2 Mech Bn's (2-47, 5-60) and 1 Air Cav Trp (A/3-17). The 2-3 conducted footmobile and AML RIF opn in the rocket belt. Co C was inserted AML vic XS835823 at 281706H. They were extracted at 281828H and reinserted vic XS806823 without incident. The 2-39 continued local opns around Rach Kien and participated in a multi-bn RIF opn south of the Ben Luc bridge with Co's B and E. Co A and the Long An Prov CRIP continued Bushmaster opns with CP at XS658710. At 281458H, vic XS650707 the Co found a Co size bunker complex containing several M-16 mags and grenades. At 281802H vic XS-650707 the Co A Bushmaster made contact with a small force resulting in 3 VC BC, 1 AK-47, 1 US aid kit and 1 US WHA (dusted off). Co E was inserted AML at 280943H vic XS605740 and began sweeping the tree/stream line from east to west. Co B was inserted on the same LZ at 281021 and swept west on the north flank of Co E. Co's B and E RON vic XS603711. To equalize the 2-39 base camp security requirements, Co C/2-39 was lifted AML from Rach Kien to An Nhut Tan closing at 281907H. The 2-47 continued convoy security, local opns vic Tan An and participated in a multi-bn RIF opn south of the Ben Luc bridge with Co A and Co A/4-47. Co B continued Bushmaster opns with CP at XS574737 without incident. Co A/2-47 moved from Tan An by APC and began sweeping the treeline going west to east at 280930H vic XS602740. Co A/4-47 moved by truck to the same grid and swept east crossing the river at 281200H. From the east side of the stream, the Co swept south. At 281330H vic XS608734 Co A/4-47 made contact with an unk size VC force (5-7 men) resulting in 1

US KHA. This contact continued sporadically throughout the day until 281910H. Co A and Co A/4-47 RON vic XS604727. The 2-60 continued local security around Tan Tru, Bushmaster opns and participated in a multi-bn RIF opn south of Ben Luc bridge. (Delayed entry: At 272310H, vic XS583672 a Co C AP rec fire from 7-8 AW and several B-40's resulting in 2 US WHA (dusted off), VC losses unk.) Co A was inserted AML at 281155H vic XS633698 and swept to the north in response to people sniffer readings. At 281527H, Co A was inserted vic XS612728 and swept west to link up with the 2-47 on the north and 2-39 on the south. At 281900H, Co A was placed OPCON to 2-39 and RON vic XS603725. The 5-60 continued local opns vic Binh Phuoc with OPCON of Co E/4-47 and participated in a multi-bn RIF opn south of the Ben Luc bridge. Co's A, B, C and the Recon Plat moved by APC from Binh Phuoc to LD's located at XS582714, XS593705 and XS599710 and swept east, north and west respectively from these locations commencing at 280930H. At 281210H vic XS594711 the Recon plat located a small complex of 2 man bunkers, estimated to be 2 weeks old. The bunkers were destroyed. At 281715H, vic XS596715 Co B/5-60 made contact with a small VC force resulting in 5 VC (BC). Co's A, B and C RON vic XS596714. The Recon plat RON vic XS599717. The 6-31, with CP at Tan An airstrip continued local security opns, night AP's and participated in a multi-bn RIF south of Ben Lun bridge. Co B continued opns in its Bushmaster with CP at XS498658. Co's A and C moved by truck from Tan An north on Hwy 4 and dismounted at 280939H vic XS-592728 to sweep the treeline southeast from that point. At 281130H vic XS595718 Co A and C made contact with an unk size VC force. This contact continued sporadically throughout the day until 281900H. The Co C contact initially resulted in 15 VC (BC), 2 AK-47's, 1 9mm pistol and assorted documents at 281452H vic XS595716. At 281515H, vic the same coord the Co found 1 BAR, 4 carbines, 5 M1 rifles, 2 unk type rockets, 1 case of dynamite, assorted blocks of C4 and blasting caps and 2000 lbs of rice. US losses were 2 US KHA and 3 US WHA. A/3-17 Cav continued armed aerial recon throughout Long An Province in support of 1st Bde opns. The Trp screened the east and west flanks of todays RIF opns with center of mass at XS-605730. At 280955H, vic XS595713 the ARP was inserted and apprehended 5 detainees (evac to Tan An IPW). The ARP was extracted at 281005H. The ARP was again inserted at 281030H vic XS576758 and extracted at 281118H with negative results. At 281142H vic XS579766 the trp destroyed 3 camouflaged sampans. At 281845H vic XS-575744 the trp spotted 4 VC w/packs hiding in a sampan. The VC were engaged resulting in 4 VC (BC) and 1 sampan destroyed. The 3/50 ARVN moved by truck from Ben Luc bridge south to vic XS588728 and block to the east stretching 500 meters north and south from that grid. The Bn established the block at 281000H and held the blocks until 281700H without incident. The Bn was released from 1st Bde OPCON at 281700H and returned to home station by convoy.

29 June: The 1st Recondo Bde continued night AP, convoy escort and multi-bn RIF opns in Long An Prov with 4 Inf Bn's (2-3, 2-39, 2-60, 6-31), 2 Mech Bn's (2-47, 5-60) and 1 Air Cav Trp (A/3-17). At 290600H the '2-3' was released from OPCON to the 1st Bde and reverted to OPCON of the 199th LIB, departing Nha Be at 290950H. Co's B and E/2-39 remained in their RON positions vic XS603722 during the early morning hours. At 290830H, while on a road sweep, Recon element found a partially removed roadblock vic XS758722. Roadblock was removed. Co A and Long An Prov CRIP terminated their Bushmaster opn vic XS647702 and was extracted by airmobile means and returned to Rach Kien at 291213H. Co E was extracted from its RON position and returned to Rach Kien at 291239H. Co B was extracted and returned to An Nhut Tan at 291246H. Co C was relieved of its security mission at An Nhut Tan on the arrival of Co B and was lifted back to Rach Kien at 291535H. (2-47 delayed entry: During its contact from 281330H - 281910H vic XS606734, Co A/4-47 apprehended 1 detainee.) At 290700H vic XS607731 sweeping from its RON position, Co A/4-47 OPCON to 2-47 found 1 VC KIA (BC), 2 AK-47's, and unk number of unidentified grenades, and assorted web gear and clothing. At 290715H vic XS-607731 Co A/4-47 found 2 more VC KIA (BC), 1 AK-47 and 3 bags of equipment. Co A/4-47 was extracted to Tan An at 290900H and lifted to its home station at Dong Tam at 291030H. Co A returned from its RON position to Tan An at approx 291000H. Co B terminated its Bushmaster opn vic XS574737 and returned to Tan An at 291202H.

B36 escorted a convoy to Dong Tam and back, closing at Tan An at 291745H. Co A/2-60 was released from OPCON to 2-39 vic XS603725 and closed at Tan Tru at 291125H. Co C terminated its Bushmaster opn vic XS580680 and returned to Tan Tru at 291157H. At 290915H Co's A and C/5-60 and Recon closed at Binh Phuoc from their RON positions vic XS596714 and XS599717, respectively. Co B closed at Binh Phuoc at 290942H from its RON position vic XS596714. At 291400H vic XS670620 Co E/4-47 was inserted to conduct RIF opn. Co B and C were alert as RRF for E/4-47. At 291425H vic XS705569 5-60 element found and destroyed 8 2-man bunkers. At 291515H Co E was extracted and reinserted at 291520H vic XS696611. At 291605H vic XS695615 E/4-47 found 8 55-gallon drums of CS. Co E did not have the means to destroy the drums. Co E, 4-47 was extracted at 291610H and returned to Binh Phuoc at 291622H. At 291722H Co's A and B/5-60 began displacing to Binh Chanh to serve as RRF to a 6-31 RIF on intelligence targets southeast of Binh Chanh. At 291855H Co B was reported to be closing at Binh Chanh with Co A following close behind. At 291305H vic XS-472746 A/3-17 air scouts observed and destroyed 4 well camouflaged bunkers. At 291335H vic XS469737 A/3-17 air scouts located and destroyed 1 large structure camouflaged in nipa palm. At 291705H vic XS802705H vic XS802797 2 partially hidden sampans and several bunkers. Two E-158 CS Cannisters were dropped on the area with negative results. At 291800H vic XS794748 a LFT from B/9th avn Bn engaged and KIA (BC) 7 VC. Also picked up 1 detainee (later classified POW; a member of a VC arty unit).

30 June: The First Recondo Bde continued night AP, convoy escort and multi-bn RIF opns in Long An and southern Gia Ding Provinces with 3 Inf Bn's (2-39, 2-60, 6-31), 2 Tech bn's (2-47, 5-60), and 1 Air Cav Trp (A/3-17). (2-39 delayed entry: At 292207H vic XS662677 Co C spotted 5-7 lights northwest of their position. 82mm mortars were fired on the area and the lights went out. Neg results were found on sweeping the area.) At 300825H vic XS767722 a Co E element J-50 on a road sweep mission found 3 road blocks. One made of bamboo leaves vic XS767722 covering about 10 feet across the road, another made of bamboo leaves same vic covering about 3 feet across the road, and a third made of bamboo trees vic XS769723 all the way across the road. During the remainder of the day the bn conducted local security patrols, maintenance, and prepared for future opns. At 301850H Co B departed its CP enroute to its Bushmaster opn vic XS7364. One platoon of B/2-47 was made OPCON to the 5-60 for security of the Binh Dien bridge during the morning of 30 June. The bn conducted road sweep and local security missions and stood down for the day, preparing for future opns. The 2-60 conducted local security patrols, maintenance, and stood down for the day, preparing for future opns. Two platoons of A/5-60 were dispatched to the Binh Dien bridge to provide additional security there, arriving at 300750H. A26 assumed OPCON of the 1 platoon from B/2-47 already at the bridge site, placing one platoon of Co A on the north, the second platoon on the south side of the bridge, and the platoon from B/2-47 on the east side of the bridge. The 5-60 conducted road sweeps vic Binh Phuoc with Co's C and Recon, closing back at Binh Phuoc at 300700H. 5-60 provided escort for two convoys from CP39 to the Binh Luc bridge. At 301307H vic XS792791 E/4-47 (OPCON to 5-60) conducted an AML assault and began an RIF to vic XS795794. At 301330H vic XS795794 E/4-47 found 1 destroyed APC with an unservicable .50 cal MG still on it. No legible markings were on the APC and its inside was burned out. At 301404H Co A conducted a RIF opn vic XS743795 with negative results. At 301405H E/4-47 was extracted from vic XS795794 and reinserted vic XS763792, continuing its Jitterbug of the area. At 301510H Co B conducted an AML RIF opn vic XS783817 w/neg results. Co E/4-47 was extracted from vic XS763792 at 301515H and lifted to Binh Chanh at 301535H. Co B was extracted from its RIF vic XS783817 and lifted to Binh Chanh at 301605H. Co A closed at Binh Chanh from its RIF vic XS743795 at 301620H. (6-31 delayed entry: At 292215H vic XS780780 Co D reported it had found negative results at its intelligence targets location. At 292215H vic XS825796 Co B found and destroyed 18 bunkers. Co's B and D RON vic XS833798 and XS780780, respectively.) Co's B and D conducted RIF around their RON positions during the early morning

hours. At 301000H vic XS835797, a patrol from Co B hit a booby trap (several unk type grenades w/trip wire). Results: 4 US WHA (2 litter, 2 ambulatory). Dust off complete at 301110H. At 301106H vic XS782802 Co D found and destroyed 7 bunkers, 2 punji pits (1 old, 1 new), 3 camouflaged sampans, and 1 chicom grenade. Co D also found in the same vic 1 sack of square blocks, 200 feet of WD-1 wire, and a small box of .30 ammo. At 301656H Co B was extracted from vic XS835797 and re-inserted at 301726H vic XS830809 where it will establish an RON position. Co D was lifted from vic XS782802 at 301740H and returned to Nha Be at 301832H. A/3-17 conducted armed aerial recon and people sniffer missions along the rocket belt south of Saigon. At 301100H vic XS824806 CS was dropped on a suspected VC location w/neg results. A/3-17 continued their aerial recon and sniffer mission from the 72 grid line east to the 85 grid line w/neg sighting or significant sniffer readings. (Delayed entry: At 292240H vic XS538635 LRRP (OPCON to 1st Bde) made contact w/an unk size VC force. The LRRP received 3 B-40 rds, SA and AW fire. Fire was returned and supported by a LFT team from Tan An airfield. Contact broke at 292340H w/neg US casualties. (VC casualties were unk.) At 300730H the LRRP swept the area of contact w/neg results. At approx 300055H Long An sector reported one span of the Ben Luc bridge vic XS618758 was blown up by VC. The piers of the bridge were reported still standing. Engr who inspected the damage reported the charge had been placed under the bridge. At 301500H one raft was working at the bridge site with a second raft planned to be in operation by evening. A folding bridge is planned for completion on 1 July.

1 July: The 1st Recondo Bde conducted opns with 3 Inf Bn's (2-39, 2-60, 6-31), 2 Mech Bn's (2-47, 5-60) and 1 Air Cav Trp (1) (A/3-17). The 2-39, with base camp at Rach Kien, conducted AML RIF opns vic XS665575, Bushmaster opns and local security opns. Co B continued Bushmaster opns vic XS7263, 7465, 7265 w/out incident. The Co CP loc at XS734645. Co A was inserted AML vic XS667587 at 011427H to investigate suspected VC locations. The Co swept clockwise around the western "Mouse Ear" and will RON vic XS667580 in multiple ambushes. At 011600H vic XS72651 the Co apprehended 5 detainees who were evacuated to Tan An IPW. Co C was inserted vic XS680604 at 011503H and swept a reported VC medical facility vic of the LZ w/neg results. The Co was extracted back to Rach Kien closing at 011559H. Co's C and E continued local security opns vic An Nhut Tan and Rach Kien respectively without incident. The 2-47 cont Hwy 4/bridge security, local security opns around Tan An and APC mounted RIF opns to recover 3 destroyed APC's from a previous contact vic XS614715. Co's A and B swept the area vic XS614715 commencing at 011000H. The Co's remained in that area during the extraction of 3 APC's by CH-47; extractions completed at 011430H. Elements of Co A and B will RON on Hwy 4 between the Tan An and the Ben Luc bridges. Co C and the Recon plat remain OPCON to 3d Bde. The 2-60 continued night AP and local security vic Bn CP Tan Tru, and conducted AML RIF opns south of the Ben Luc bridge along the Song Van Co Dong. Co B was inserted vic XS630730 at 010954H to sweep a suspected VC troop concentration. An F-100 was reportedly hit by either ground fire or bomb fragments from that loc at approximately 010700H and moderate people sniffer readings were recorded at 010900H. Following additional sniffer readings and CS drops, Co B was extracted and reinserted vic XS635718 at 011204H. The Co found a suspected way station possible occupied in the last 3 days at 011222H vic XS633715. Co B was again extracted and reinserted vic XS685635 at 011330H to sweep a reported VC concentration. The 3 insertions of Co B produced neg results and the Co closed the Bn CP at 011652H. Co's A, C and the Recon plat continued dry out and local security opns vic Tan Tru without incident. The 5-60 (M) cont RIF opns vic Binh Chanh with their Fwd CP and Co's A and B, and vic Binh Phuoc with Co C and the Recon plat. Co's A and B conducted APC mounted RIF opns to the east of Binh Chanh vic XS754787 commencing at 010803H and conducted at 011340H w/neg results. Co A will RON vic Binh Dinh bridge. Co B will RON vic Binh Chanh and secure the Bn CP. Co C and the Recon plat continued security opns vic Binh Phuoc without incident. E/4-47 was released from OPCON to 5-60 and returned to Dong Tam by CH-47, closing at 011145H. The 6-31 continued DARMA, AML RIF opns in the Saigon rocket belt areas. At 010817H

Co C was inserted AML vic XS824794, to investigate a reported VC concentration. The Co found 20 heavily fortified "L" shaped bunkers vic XS824794 at 011815H. The bunkers were blown in place. Co B was inserted AML vic XS825795 and XS793796 at 011700H to investigate reported VC concentrations. At 011726H Co B found 1 US gas mask, 2 booby traps in bunkers, and 9 previously destroyed bunkers at XS825795. The booby-traps were blown in place. Co C was extracted at 011812H and reinserted vic XS837827 to investigate a reported VC concentration. Co B was extracted AML back to Binh Chanh closing at 011956H. Co C will RON vic their last LZ. Co's A, B and the Bn CP remained at Binh Chanh. Co D remained at Nha Be. A/3-17 (-) stood down today, but 1st Bde opns were supported by a LFT and 2 slicks for people sniffer and CS drops. No incidents or sightings were reported by the trp. A LRRP was inserted AML vic XS541640 at 011825H. The patrol will RON vic that location.

2 July: The 1st Recondo Bde conducted opns with 3 Inf Bn's (2-39, 2-60, 6-31), 2 Mech Bn's (2-47, 5-60) and 1 Air Cav Trp (A/3-17). The 2-39 continued AML RIF opns, Bushmasters and local security opns vic Bn CP. Co A cont Bushmaster opns in western "Mouse Ear" w/CP at XS667580. At 021605H co A was extracted from its Bushmaster and inserted AML vic XS696533 to assist in a 2-60 contact. Co A became opcon to 2-60 at 021900H and will RON in that area. Co B was extracted from its Bushmaster by foot and vehicle commencing at 021600H and closed Rach Kien at 021801H. Co's C and E cont local security opns vic Bn CP. The 2-47 cont track mounted RIF opns southeast of Tan An and night security of Hwy 4 and Tan An complexes. Commending at 021010H, Co A and B conducted APC mounted RIF opns southeast of Tan An. At 021010H vic XS567621 Co A found and destroyed in place 3 grenades booby traps. At 021100H vic XS573638 Co B found and destroyed 17 bunkers estimated to be 3 months old. The Co's concluded opns at 021800H and rtn to Tan An and Hwy 4 security missions. At 020915H vic XS574586 a 2-47 wrecker hit a command detonated mine resulting in the destruction of the truck and 2 US KHA. Recon plat was dispatched to the scene, but no contact was made. The 2-60 conducted AML RIF opns south of the Mouse Ears and continued AP and local security opns vic Bn CP. In response to people sniffer readings, Co C was inserted AML vic XS675547 and XS-662535 and conducted RIF vic the LZ. Co C was extracted and reinserted vic XS695-535 at 021250H. On the east side of the LZ the Co made contact w/an estimated VC squad at 021305H. The contact continued sporadically until 021530H. The initial contact resulted in 2 AK-47's, 3 VC (BC) and 2 POW (1 WHA) by Co C. A/2-39 was extracted AML from its Bushmaster in the western "Mouse Ear" and inserted at 021605 vic XS696533 to reinforce C/2-60. The LRP's, OPCON to 2-60, and further attached to Co C for opns engaged a small VC force vic XS697540 at 021505H resulting in 3 VC (BC). Co A/2-60 was inserted AML to further assist in the contact at 021750H vic XS685570. Co C was extracted back to Tan Tru from the contact area at 021820H. Co's A (2-60 & 2-39) will RON vic the contact w/Co A/2-39 OPCON to 2-60 at 021900H. At 021800H vic XS696533 Co A/2-39 engaged 1 VC running resulting in 1 VC (BC). The 5-60 continued local security opns vic Binh Chanh and displaced south to secure the Ben Luc bridge and adjacent work sites. Co B closed the Ben Luc bridge at 021130H and will secure the bridge and disabled tank truck at XS624766. The Bn CP (Fwd), Co A and the 4.2 mtr section closed the Ben Luc bridge at 021230H. A barge/pontoon crossing was made and the lead elements closed Tan An at 021945H enroute to Binh Phuoc. All elements, - Co B, closed Binh Phuoc at 022053H. Co C and the Recon plat cont local security opns vic Binh Phuoc. The 6-31 continued foot/AML RIF opns in the rocket belt south of Saigon and local security vic Binh Chanh and Nha Be. At 020917H vic XS836833 Co C found and destroyed 9 bunkers and 1 RPG rd. At 021100H vic XS713803 Co A found empty boxes which appeared to have contained weapons, possibly AK-47's. At 021140H vic XS712807 Co A found a small base area, a small amount of fresh food and numerous booby traps. Arty was called into the area to trip the booby traps. The area was swept and at 021300H vic XS-712807 the Co engaged 1 VC who fled. A sweep of the area revealed 500 rds AK-47 ammo, 4 AK-47 mags, 1 med kit, 5 RPG w/3 boosters, 15 punji pits, 2 cooking stones,

3 gas cans and 7 chicom grenades. Co D conducted footmobile RIF opns vic XS-864816 - XS872820 from 020950H until 021600H without significant finds. Co C was inserted AML vic XS837797 at 021921H and will RON vic the LZ. A/3-17 Cav supported 1st Bde opns throughout Long An Prov with priority of effort to 2-60. At 021425 vic XS695537 a LFT engaged 2 VC resulting in 2 VC (BC). The trp again engaged an unk size VC force at 021530H vic XS689535 resulting in 1 VC (BC), 1 AK-47, assorted med supplies, 3 AK-47 mags and assorted clothing and web equip.

3 July: The 1st Recondo Bde conducted opns with 3 Inf Bn's (2-39, 2-60, 6-31), 2 Mech Bn's (2-47, 5-60) and 1 Air Cav Trp (A/3-17). The 2-39 conducted local security patrolling vic the Bn CP. Co A remained OPCON to 2-60 during the morning, closing back at Rach Kien by airmobile means at 031415H. The 2-47 conducted an airmobile operation with Co B being inserted vic XS624722 at 030953H and Co A being inserted vic XS623715 at 031032H. At 031130H vic XS625715 Co's A and B made contact with an estimated VC platoon. (VC had been initially observed by A/3-17 Cav). VC wore blue uniforms. The contact continued sporadically until 031400H. Results: 2 US WIA, 7 VC KIA (BC), 3 detainees, 5 AK-47's and 1 AK-50 captured, 1,800 lbs of rice, and 1 sampan sunk. Contact was re-established at 031600H. At 031615H vic XS621713 the CO/2-47 reported his command and control ship was receiving ground fire. This was the last report received from him. A Trp/3-17 Cav reported its helicopters saw the 2-47 C & C ship go down in the river vic XS621713. There were 8 people reported to be on board, 3 of which were rescued. The other 5 are still missing as of the time of this report. Co's A and B will RON vic XS626715 securing both sides of the river during the night. The 2-60 conducted local security patrolling vic the Bn CP. A/2-39 OPCON to 2-60 reported at 031710H vic XS698533 in its Bushmaster location it had stopped 18 sampans, sunk 5 sampans, and apprehended 7 detainees. Sampans were loaded with women and children; no males. A/2-39 was released from OPCON of the 2-60 at 031345H, closing by airmobile means at Rach Kien at 031415H. Co A was lifted to Tan Tru from its ROP position vic XS685570, closing at 031440H. The 5-60 conducted local security patrolling and convoy escort opns without incident. E26/4-47 element was released from OPCON 5-60 at 031250H being lifted to its parent CP by CH-47. Co's A and C conducted Mech RIF during the afternoon vic XS656553 and XS655546, respectively, w/neg results and closed back at their Bn CP. The 6-31 continued RIF and security opns in the rocket belt south of Saigon. Co C conducted a footmobile RIF vic XS828798 where it had RON during the last night. At 031512H vic XS831797 Co C found and destroyed 12 bunkers. Co A conducted an airmobile RIF opn vic XS-851833 inserting at 031643H. Co C was lifted from its field location to Nha Be closing at 031717H. Co A will RON vic XS851833. The Trp supported 1st Bde opns throughout Long An Province, flying sniffer missions and armed aerial recon with priority of effort to the 2-47 contact. Supporting that contact between 031130H to 031700H vic XS624716 to vic XS625705, Trp A had 15 VC KIA (BC) and captured 1 AK-47. At 030930H vic XS623714 Trp A Air Scouts observed a sampan w/unk number of persons. Two Air Scout elements were inserted at 030945H w/neg results. Air Scouts were extracted at 031118H from vic XS625719.

4 July: The 1st Recondo Bde conducted opns with 3 Inf Bn's (2-39, 2-60, 6-31), 2 Mech Bn's (2-47, 5-60) and 1 Air Cav Trp (A/3-17). (Delayed entry: At 031915H E/2-39 established a Bushmaster opn vic XS772717). At 040730H vic XS-741768 Recon element on a road sweep found a dirt and wood (left by Engr) road block. Roadblock was cleared. 1400 meters north of vic XS741768, while continuing their road sweep Recon element found and cleared 14 roadblocks made of dirt and palm trees. Roadblocks covered 50% of the road and were staggered to make the road impassable. At 040936H Co C was inserted vic XS624715 to help sweep area of downed helicopter and to provide additional security. Co B was also inserted vic XS646697 at 040955H. At 041100H Recon ele found 25 punji boards made of cement and nails placed along the side of the road vic XS714768 to XS714773. At 041117H vic XS626715 Co C found 50 100 lb bags of rice. Rice was evacuated.

SUBJECT: Combat Operations After Action Report (MACV/RCS/J3/J2)

At 041109H Co E was extracted from its Bushmaster vic XS710705 and inserted at 041119H vic XS633707. Co's B, C and E will RON vic XS637112, XS626719, and XS-632710, respectively. (Delayed entry for 2-47: At 031933H vic XS621713 boats dragging the river for the downed helicopter found 2 VC KIA (BC). Divers arrived at the scene of the crash at 031934H, but had to cease their search at 031945H. Illumination was used over the area during the search for the missing helicopter and its passengers. The illumination ship was released at 032139H. The 2-47 contact at vic XS625715 which had been re-established at 031600H broke at 031900H.) At first light on 4 July Co's A and B (-) swept both sides of the river vic their RON positions. Divers were again at the scene of the crash at 040735H. At 040900 vic XS631706 an Arctic King Cooler, 1st aid kit, a pilots helmet, and a pictorial map were found. At 041010H vic XS628734 during sweep of the area 3 VC KIA (BC) were found. At approx the same time vic XS628736 1 VC KIA (BC) was found. At 041437H vic XS621717 (where helicopter crashed) a second aircraft helmet was found. In the river during search opns, 2 teams of divers (7-8 men) and 6 assorted boats participated in the search. On the banks of the river (& 2-2½ km on either side of river) 5 companies participated in the search. The divers were hampered by murky and treacherous water. At 041600H vic XS627713 the helicopter was located 200 meters south of where it had gone down. A diver secured a buoy to it at that time. One body was observed in the helicopter. At 041950H the helicopter was lifted to the surface of the river. At approx 042050H the body inside the helicopter was identified as the CO, 2-47. Co A and 1 plat from Co B will RON vic XS626719 and continue the search for the remaining 6 (a later report showed 10 rather than 8 personnel on board) persons still missing. The 2-40 conducted local security patrolling and road sweeps today. At approx 041130H vic XS654624 a 2½ ton truck (belonging to 4-39) hit a command detonated mine 450 meters from 2-60 CP. 8 US personnel were WHA. Dust off completed at 041216H. At 041405H vic XS620650 Recon ele found another mine. When mine was blown in place it created a hole 6' in diameter and 6' deep. At 041600H vic XS645625 Recon ele found the following items in a hooch: 4 PRC 25 batteries, 1 broken claymore detonator, 3 hyperdermics w/needles, 1 BA 30, 3 C-ration cans with cement in them 125 yards of wire, 3 radio relays, 1 flexible chrome pipe (10" long), 1 used hand flare, 1 TM9-23-20-218-20, 1 TM38-230-1, 1 US GVT-VN telephone directory (Jan 68), 1 TM for 1 ton trailer and 1 VN school book. At 040940H Co A conducted a Mech RIF vic XS563585, XS565587, and XS566579 w/neg results, returning to its CP at 041300H. The remaining 5-60 elements conducted local security patrolling and stood down. Co B and Recon ele were dispatched to the Ben Luc bridge for security tonight. Co A was dispatched to Tan An to secure bridges at that location. Co C remained at the Bn CP. At 040105H vic XS856834 in its RON position, Co A engaged and sank 1 sampan with 4-6 VC. The VC swam to the other bank and fled. Co A pursued w/neg results. At 041135H vic XS7113803 Co B found 4 bunkers, 15 foot size punji pit, 2 man size punji pits, and 1 dud M-79 rd. Bunkers were destroyed. At approx 041200H vic XS711807 Co B found 1 8-10 man bunker w/overhead cover, 3 RPG rds, 1 105mm rd, and 5 grenade booby traps. Bunker and booby traps were destroyed. At 041238H A66 ele was lifted to vic XS830800. At 041244H A76 ele was lifted to vic XS831829. Both elements conducted RIF w/neg results, and were lifted to vic XS845804. Co's C and D remain at Nha Be. Co B remains at Binh Chanh. A/3-17 Cav supported 1st Bde opns throughout Long An Province with priority of effort to the search in area of helicopter crash.

cated 40 bunkers, 200 rds of AK-47 ammo and 3 RPG rocket rds. All were destroyed. In the same loc Co D found 2 pair of black pajamas, 2 chicom grenades, some web gear and pots and pans. The 2 grenades were destroyed. At 061710H vic XS832797 Co D was lifted to an LZ vic XS845802 and conducted a RIF to an RON position vic XS844806. At 061545H vic XS629706 A/3-17 found 4 paper sacks containing rice and salt. Items were destroyed. A/3-17 continued to support opns of 2-60 and conduct reconnaissance of intelligence targets.

7 July: The 1st Recondo Bde conducted opns with 3 Inf Bn's (2-39, 2-60, 6-31), 2 Mech Bn's (2-47, 5-60) and 1 Air Cav Trp (A/3-17). The 2-47 conducted road sweeps and convoy escort missions with no incidents and stood down, preparing for future opns. The 2-47 elements will provide bridge security at Tan An tonight. The 2-60 conducted road sweeps, local security patrolling, maintenance, preparing for future opns. At 070950H Co B closed at Tan Tru from its Bushmaster opns. At 070950H vic XS687627, while on a local security patrol, C16 ele received some intermittent sniper fire. A sweep of the area of fire produced neg results. At 071700H vic XS594663 a 3/4 ton truck belonging to Recon ele hit a command detonated mine. Vehicle was blown off the road. Two US personnel were WHA (dust off completed at 071816H). A VN civilian in the area was also injured by the explosion of the mine. The 3/4 truck was removed to Tan Tru. Co B/5-60 continued its Bushmaster opn initiated on 6 July vic XS674545 with no significant finds or incidents. At 071430H Co C conducted a Mech RIF on an intel target vic XS610586. At 071535H vic XS602596 Co C found and destroyed 10 reinforced bunkers. Co C closed at the Bn CP at 071644H. During the night the 5-60 reinforced the bridge security at Ben Luo with Co A. 070814H during a search of a village vic XS733822 Co A apprehended 5 detainees, found a stack of blank I.D. cards, and a pile of Cambodian cigarettes. At 071224H Co D conducted a combat assault and RIF on an intel target vic XS786777. A sweep of the area revealed no finds and no signs of recent occupancy. At 071450H vic XS858805 an ele of Co B and an ele of Co A/2-47 (OPCON to 6-31) conducted a RIF on an intel tgt w/neg results. No bunkers or signs of recent activity were seen in the area. At 071500H vic XS771777 an ele of Co B found 100 rds of AK-47 ammo, several B-30 type batteries, and several large plastic bags (type used to store rockets in). All of these items were destroyed. The Co B ele also apprehended 1 detainee in the same area. All Co B elements and the platoon from A/2-47 closed at their CP at 071715H. Co D was enroute to its CP by truck at the close of this report. The 2-39 conducted a Bn airmobile RIF with Co A being inserted at 070930H vic XS725560, Co B being inserted at 071012H vic XS702553 and Co C being inserted at 071035H vic XS677567. At 071030H vic XS698558 Co B found and destroyed 30 bunkers. At 071123H vic XS721563 Co A found and destroyed 3 fighting-type bunkers. At 071415H Co C was extracted and reinserted at 071426H vic XS689598. At 071430H vic XS688608 Co C made contact with an unknown size VC force w/automatic weapons. Fire was returned and contact broke at 071445H. Results: 1 VC KIA (BC). Negative US casualties. At 071526H Co A was extracted and reinserted at 071545H vic XS661534 w/neg results upon sweeping the new area. At 071605H vic XS705560 Co B received some SA sniper fire. Firing ceased at 071610H. At 071649H Co A began extracting, lifting the last element to Rach Kien at 071725H. At 071823H vic XS705560 Co B received more sporadic fire from bunkers in the area. Co B had 1 US WHA from this fire. 6 E-158 CS Cannister clusters were dropped in the area to help suppress the fire. At 071836H Co C was inserted to the east of Co B's contact vic XS712563. At 071840H Co E was lifted to An Nhut Tan to secure that FSB. At the close of this report Co A was alerted for insertion with Co's B and C, and sporadic firing was continuing in the area. The 2-39 elements will RON in the area of contact tonight. A Trp continued armed aerial recon in support of the 1st Bde with priority of effort to the 2-39 Bn RIF. At 071215H A Trp flew "sniffer" missions and visual reconnaissance over intelligence targets vic XS713646 to XS710635 and XS723604 to XS730610 w/neg sightings or significant "sniffer" readings. At 1445H A Trp conducted "sniffer" and visual reconnaissance on intelligence targets vic XS668538 to XS654525 and had no visual sightings but got a high sniffer reading vic XS662592 which Co A/2-39 checked out w/neg finds.

SUBJECT: Combat Operations After Action Report (MACV/RCS/J3/J2)

8 July: The 1st Recondo Bde conducted opns with 3 Inf Bn's (2-39, 2-60, 6-31), 2 Mechanized Bn's (2-47, 5-60) and 1 Air Cav Trp (A/3-17). The 2-39, (Delayed entry: at 071345H vic XS700559 Co B found a cache containing 10 boxes of 7.62 ammo, 1 box .30 Cal light machine gun ammo, 6 RPG rockets, 2 US claymores, 50 feet of commo wire, and 1 PRC-10 radio. The contact by Co C vic XS688608 from 071445H resulted in 1 VC KIA (BC) (reported in 7 June SITREP) plus 1 AK-47 and some web gear. At 071948H vic XS707560 Co A was inserted to reinforce the contact of Co's B and C. The 2-39 contact broke at 072000H. Results: Co B had 2 US KHA, 1 US WHA (reported in 7 June SITREP), 10 VC KIA (BC), and 2 AK-50's. Co's A and C had no casualties or VC KIA during this latter contact.) At 080815H vic XS705563 while sweeping the area of contact Co B found 1 VC gas mask, 1 RPG-2 rocket, 1 RPG-7 rocket, 1 walkie-talkie, 1 field phone, 1 PRC 10, 10 carbine magazines w/ammo, 200 rds M-60 ammo, 200 ft detonation cord, 1 M16 magazine, some AK-50 ammo. The 2-39 elements completed their sweep of the area of contact and began extracting from the area. At 081158H Co C was lifted to An Nhut Tan. Being relieved of security at An Nhut Tan Co E was lifted to Rach Kien at 081206H. Co A was extracted to Rach Kien at 081302H. Co B was extracted to Rach Kien at 081332H. The 2-47 conducted convoy escort mission today. At 080815H vic XS714786 while a convoy from Dong Tam to CP39, B16 element found a roadblock made of dirt and poles. Road block was removed and B16 arrived at CP39 with the convoy at 080950H. B16 closed back at Tan An at 081125H. During the night A26 secured bridges between Tan An and Ben Luc, B26 secured the bridge on the northside of Tan An, B46 secured the bridge of the southside of Tan An, A16 secured the Tan An airfield and Recon element reinforced security at 1st Bde CP. Upon being relieved of its bridge security missions by 5-60. Co A is starting at 081900H with Co B and the remainder of the 2-47 scheduled to be released from OPCON of 1st Bde and displace to Bearcat, starting at 091900H. At 081010H vic XS710595 Co B conducted a combat assault and initiated a RIF. At 081105H vic XS710593 Co B found 10 bunkers. 3 of the bunkers were destroyed. Several punji pits and spider holes (about 6 months old) were also found in the area. At 081130H Co B was extracted and reinserted at 081143H vic XS724565 and XS718561 to continue its RIF. At 081225H vic XS721562 B36 element apprehended 6 detainees. At the same time vic XS722553 B16 element had a brief contact with an estimated 5 VC. Contact broke almost immediately. Results: 1 US WHA and 1 VC KIA (BC). The 1 US WHA was evacuated to Tan An along with the 6 detainees. At 081429H vic XS719559 Co B captured 1 VC wearing a Soviet pistol, web gear and carrying some documents. When evacuated to Tan An, individual was found to be a political officer. At 081438H and 081452H Co A was inserted vic XS730577 and XS725578, respectively, and initiated a RIF. Co's A and B concluded their RIF opns with no more significant finds or incidents, and at 081647H Co B was extracted to Tan Tru. Co A was extracted and initiated a Bushmaster opn with its elements being inserted vic XS724556, XS718562 and XS733564. The 5-60 (Delayed entry: At 071755H vic Ben Luc bridge while on bridge security 1 EM from Co A was reported MIA. Last seen at 071755H. At 072040H vic XS583577 C35 element hit a command detonated mine. Results: 1 US WHA (dusted off at 072125H). When the dust off ship was taking off it and the C35 tracks received heavy AW fire. Fires were returned. Negative US casualties. VC casualties unknown. At 072135H at the Ben Luc bridge A26 element received SA fire and 2 B-40 rockets. Fire was returned and contact broke at 072140H. Negative US casualties. VC casualties unknown.) Co B terminated its Bushmaster opn vic XS674546, closing at Binh Phuoc at 080718H. The 5-60 escorted one convoy from Dong Tam to the Ben Luc bridge, closing at the bridge at 081815H. The convoy will remain at the bridge w/5-60 security until morning. The 5-60 prepared to relieve the 2-47 of its bridge security missions at Tan An and is scheduled to take over the security of all bridges from Tan An to the Ben Luc bridge at 091900H. R/2-47 will share this bridge security mission for an undetermined period. At 080820H vic XS722817

on a local patrol Co A found and destroyed in place one grenade-type booby trap. Co C continued RIF opns in the rocket belt vic XS852802 during the morning hours. At 081000H vic XS724811 Co A found 1 spider hole and 3 camouflaged bunkers. At the same time vic XS719812 Co A found 2 punji pits. Bunkers and pits were destroyed. At 081045H vic XS721810 Co A found 5 bunkers, 2 AK-47's and 2 RPG rounds. Bunkers were destroyed and the rest evacuated. At 081115H vic XS721806 Co A apprehended 1 detainee and found a cache containing 10 82mm mortar rds, 5 chicom grenades, several blasting caps, 1 hand made map of Hwy 4, 5 claymore mines (4 US, 1 chicom), 3 AK-47 stocks, 1 AK-47 rifle, 1 machete, 1 box of TNT (TNT was destroyed), 2 NVA packs, 2 bandoleers of AK-47 ammo, 1 command detonated 105mm booby trap (destroyed in place), and 1 I.D. card with a Binh Chanh address.

At 081803H vic XS839797 Co C was reinserted to conduct in this part of the rocket belt. Co C will RON same vicinity. A Trp/3-17 Cav continued armed aerial recon in support of the 1st Bde with priority of effort to the 2-60. At 081230H vic XS722553 A Trp scout team located and engaged 1 VC. Results: 1 VC KIA (BC). At 081720H vic XS896692 A Trp located and destroyed 1 sampan with motor.

9 July: The 2-39 received AHC at 090825H at Rach Kien. At 090910H Co B was inserted vic XS703655. At 090926H Co A was inserted vic XS705630. At 090957H Co C was inserted vic XS705645. At 091032H vic XS713647 Co C found some fresh bunkers. Cav scouts drew fire from bunker location. At 091140H vic XS713647 a CS drop and airstrike were placed on the bunkers. At 1245H vic XS711646 Co C found 6 VC (BC), 2 AK-50's, 2 SKS's and assorted web gear. At 091305H in same vicinity Co C killed 6 more VC (BC) and found 1 SKS. At 091305H vic XS710635 Co A killed 1 VC (BC) and found AK-50. At 091340H the contact broke. At 091350H vic XS719646 Co C found 2 VC (BC) and 1 AK-50. At 091530H vic XS719646 Co C again made contact and killed 2 VB, took 1 VC WIA captive, and sustained 1 US KHA. Contact broke at 091545H. At 091600H Co B was lifted to vic XS703656, neg contact. At 091630H vic XS719646 Co C made contact, resulting in 2 VC (BC) and 2 AK-50's. At 091745H Co A was extracted to Rach Kien. At 091807H Co B was extracted to Rach Kien. At 091840H Co C was extracted to Rach Kien. AHC was released at 091849H. The 2-47 stood down for preparation of unit move to Bearcat. At 091700H 2-47 less the Recon platoon was released of OPCON to 1st Bde. At 091055H Co A/2-60 terminated its Bushmaster operation and was extracted from vic XS725564 and returned to Tan Tru. The 2-60 conducted local security opns and stood down in preparation for future operations. The 5-60 continued road convoy and bridge security missions and stood down in preparation for future operations. The 6-31 (Delayed entry: At 082240H Co A, located on the Binh Dinh bridge, received 8 rounds of mortar fire. Results were 15 US WHA and 2 ARVN WHA. 8 US and 2 ARVN were dusted off. There was negative damage to the bridge.) From 090200H to 090430H ambush patrols from Co A around the bridge site had sporadic contact with 2 to 6 man groups of VC. Result was 8 VC KIA and negative friendly casualties. At 090207H Co B located at Nha Be, received 4 rounds of 75mm rocket fire (later determined to be 107mm). Results were 2 diesel storage tanks and 2 warehouses caught fire. Fires were brought under control and there were no friendly casualties. At 090230H 6-31 CP at Binh Chanh received 11 rounds of mortar fire. Results were 3 US WHA. No dust off was needed. 6-31 fired counter mortar fire and a LFT was dispatched to the area. At 090600H Co A began a sweep of the area around the Binh Dinh bridge with negative results. At 091430H Navy diver inspected the supports of the Binh Dinh bridge and found a hole in the west support, cause was unknown. At 090720H Co C began a RIF of the area vic XS843794 with negative results. At 091720H Co C moved into a RON position vic XS842795. At 091730H Co A moved into security positions around the Binh Dinh bridge. A Trp 3-17 Cav continued armed aerial recon in support of 1st Bde operations. At 090730H A Trp was OPCON to 2-39 and supported their operation. At 090955H vic XS715634 the Cav located several bunkers and obtained high sniffer readings. At 091140H a CS drop was made on the area. This was the initial contact area of 2-39. Cav was released at 091700H.

SUBJECT: Combat Operations After Action Report (MACV/RCS/J3/J2)

10 July: The 1st Recondo Bde conducted opns with 3 Inf Bn's (2-39, 2-60, 6-31), 2 Mech Bn's (2-47, 5-60) and 1 Air Cav Trp (A/3-17). At 100845H 2-39 reported the road to Rach Kien cleared. 2-39 conducted local security missions and stood down in preparation for future opns. R/2-47 was released from OPCON of 1st Bde at 101700H. At 100015H vic XS698652 R/2-60 made contact with 4 VC and opened fire. Contact broke at 100020H. Result was 2 VC (BC), 1 VC WIA (evac to Long Binh) and 1 detainee (evac to Tan An). At 100945H AHC reported in to 2-60 at Tan Tru. At 100958H C/2-60 was lifted from Tan Tru and inserted at 101005H vic XS473732. At 101101H vic XS565725 Co C found 4 old bunkers in the area destroyed by bomb drop. At 101114H vic XS473732 Co C was extracted and inserted at 101133H vic XS887768. At 101230H vic XS888769 Co C found 5 75mm cannisters which were very old. At 101235H vic XS885773 Co C found 2 expended US M72 LAW's. At 101353H Co C was lifted to LZ vic XS793786, XS788774, and XS792790. At 101350H 1 plat of Co C was lifted from vic XS792790 to vic XS791783. At 101648H Co C was extracted from vic XS791783 and returned to Tan Tru. At 101700H the AHC was released to 6-31. At 082345H vic XS614747 Co A/5-60 made contact with an unk size VC force firing SA and M-79's. Co A returned fire with 50 cal and arty. Contact broke at 090002H with negative friendly casualties. VC casualties unk. At 100544 R/5-60 departed Tan An w/convoy enroute to CP39. At 100800H Co B completed road sweep from Binh Phuoc to Tan An and reported road clear. At 100926H Dong Tam convoy arrived at Tan An and continued on to CP39. At 101830H the convoy from CP39 arrived at Ben Luc bridge and will RON at that loc. At 101947H Co A departed Dong Tam with convoy enroute to Tan An. At 100824H vic XS757823 Co A set up blocking position in conjunction with 199th Bde opn to their east. At 100940H Co C conducted a sweep opn vic XS842775 - 841792 - 848753 - 847755 - 841759. At 101258H Co C concluded sweep and prepared to move to PZ vic XS845795. At 101750H Co D was lifted from Nha Be to a LZ vic XS845807. At 101812H Co C was extracted from vic XS845795 and lifted to Nha Be. At 101840H Co A and 1 plat of Co B moved to security positions around the Binh Dien bridge. At 101845H the AHC was released. A/3-17 Cav Trp conducted armed aerial recon and sniffer missions in support of 2-39 opns from 100900H to 101615H.

11 July: The 1st Recondo Bde conducted opns with 3 Inf Bn's (2-39, 2-60, 6-31), 1 Mech Bn (5-60) and 1 Air Cav Trp (A/3-17). The 2-60 conducted local security patrolling, maintenance, training, and stood down, preparing for future opns. At 111145H vic XS625685, while on a visual reconnaissance in an OH-23, the 2-60 S2 destroyed 1 loaded sampan and partially destroyed one bunker. The 5-60 conducted local security patrolling, road sweeps, bridge security, and convoy escort opns without significant finds or incidents. At 110920H A26 closed at Dong Tam with a convoy from Tan An, and closed at Tan An at 111525H with a second convoy. At 110830H vic XS744825, while on a local security patrol Co A apprehended 2 detainees without I.D. cards. At 110837H Co B was in a blocking position vic XS778828 to XS760825. Co B was blocking for an ARVN unit which was sweeping from vic XS782866, XS780820, and XS785827. At 111040H Co B reported that the ARVN unit in the combined opn had found a cache vic XS734815 containing 9 AK-47's, 4 B-40 launchers, 2 typewriters, 1 sub MG, 6 US ponchos, 40 yds of white cloth, 1 PRC-10 antenna, 9 B-40 rds, and an unk amount of AK-47 ammo. At 111117H vic XS-843807, while on a RIF opn vic their RON position 1 person from Co D fell off the bank of the Rach Ba Lao and drowned (his body was found at 111445H by a Navy diver from Nha Be in the same vic of fall). Co B continued its block w/neg results until 111550H and closed back to its CP at 111700H. Co D continues its RIF opn in the mortar/rocket belt and will RON vic XS844805. At 110950H vic XS467740 Co C was inserted to conduct an RIF and make a bomb damage assessment (BDA) of a B-52 strike. At 111048H Co C was lifted to vic XS407743 and XS407744. Co C completed its sweep of the area and was lifted to vic XS473744 at 111101H. At 111225H vic XS715695 the CRIP (OPCON to 2-39) made contact with approximately 20-25 VC. 4/2 inch mortars were fired in support. Contact broke at 111240H. Results: 10 VC KI (BC), 4 AK-47's, 1 US carbine, and a bag of documents. No US casualties. VC were wearing a mixture of NVN gear and equipment. At 111225H Co C was extracted

from bomb assessment area (report of BDA has been sent under separate cover) and reinserted vic XS852671 at 111259H. At 111321H Co E was inserted vic XS706697 to exploit the contact made by the CRIP, and began a sweep to the east. At 111405H vic XS706697 Co E found and destroyed several punji pits. At 111415H vic XS868669 Co B was inserted to conduct an RIF opn. At 111514H vic XS890662 Co A was inserted to conduct an RIF opn. At 1630H vic XS713666 Co E had linked up with the CRIP. Co E's J platoon will conduct a Bushmaster opn in this area. At 111653 Co C was extracted to An Nhut Tan with negative results on its RIF. At 111729H Co B was extracted to Rach Kien with negative results. At 111850H vic XS717695 the J plat had 1 VC KIA (BC). The CRIP closed at Rach Kien at 111922H. A/3-17 Cav conducted armed aerial recon and sniffer missions in support of 2-39 opns.

12 July: The 1st Recondo Bde conducted opns with 3 Inf Bn's (2-39, 2-60, 6-31), 1 Mech Bn (5-60) and 1 Air Cav Trp (A/3-17). At 120835H vic XS728700, while conducting a local security patrol J platoon had 1 US WHA from a punji pit. (Dust off completed at 120845H). J platoon closed at Rach Kien from vic XS728700 at 121131H w/neg results on their sweep. At 121219H and 121236H Co A was inserted to conduct a RIF opn vic XS625717. Co A completed its RIF w/neg results and was extracted to Rach Kien at 121750H. (Delayed entry: At 111940H C2 AP loc vic XS-695636 received AW fire from vic XS691638. Fire was returned and contact broke at 111947H. Neg US casualties. VC casualties unknown. At 111959H vic XS693642 2-60 C2 AP received more AW fire. Fire was returned and arty was fired on the area. Contact broke at 112000H. Neg US casualties. VC casualties unknown.) At 120925H a helicopter from AML Co supporting 2-60 had mechanical troubles and was forced to land vic XS718579. B16 ele secured the ship on the ground while remainder of Co B conducted eagle flights over the area. At 120954H vic XS705579 Co B was inserted to conduct a RIF opn. At 121042H and 121105H vic XS704572 and XS-703574, respectively, Co C was inserted to conduct an RIF of that area. At 121115H the downed helicopter was extracted. At 121125H vic XS705566 B16 was inserted to join its parent Co on RIF opn in the area. At 121200H vic XS704570 Co C found a hospital complex of 3 huts with 10 camouflaged bunkers around the huts. Co C also found in the area, 20 bottles of medicine, 10 water ampules, 100 bandages, and 2 bottles of iodine. At 121210H vic XS702577 Co C found 1 pistol belt, 50 locks with keys and 1 concrete bunker. Bunker was destroyed. At 121220H vic XS705576 Co B apprehended 2 detainees. One had an I.D. card. At 121340H vic XS-703577 and XS704570 C16 and C36 elements destroyed 15 and 12 bunkers, respectively. At 121440H vic XS620650 two gun vehicles found and destroyed in place 1 105mm command detonated rd. Neg damage to road. The wires ran into the trees vic XS-625655 and 3 105mm rds were found on sweeping the area. Co's B and C completed their RIF with neg further finds and at 121355H and 121418H were reinserted vic XS-698580 and XS696568. At 121445H vic XS698561 Co C found and destroyed 7 bunkers. Co C was extracted to Tan Tru at 121618H. Co B was extracted to Tan Tru at 121645H. The 5-60 conducted local security patrolling, road sweeps, bridge security, and convoy escort opns without significant finds or incidents. At 120630H C26 closed at CP39 with a convoy from the Ben Luc Bridge. At 121220H Co B relieved Co A in place and took over security of the Ben Luc Bridge. At 120129H vic XS731824 A53 element sank 1 sampan with a LAW. At 120215H vic XS734825 A51 sank another sampan with 90mm fire. There was a secondary explosion on this second sampan. At 120222H vic XS729825 A51 sank another sampan with M-79 fire. Co D was reinserted at 121847 vic XS835796 Co D will RON in that area tonight. At 120905H vic XS710568 to XS-709575 while on a people sniffer mission, a high reading was received. One E-158 CS Cannister Cluster was dropped on the area with neg results. At 121030H vic XS-697547 A Trp destroyed 1 sampan. At 121137H vic XS669540 A Trp's rifle platoon was inserted and found and destroyed 3 sampans, 2 bunkers, 3 lean-to shelters, and 1 concealed foot bridge. At 121245H vic XS667545 the rifle platoon destroyed 5 sampans and was then extracted. At 121317H vic XS625523 A Trp apprehended 1 detainee with 1 AK-47 rd in his pocket. The rifle platoon was inserted vic XS665-525. At 121515H vic XS662525 A Trp destroyed 4 sampans and 4 grass buildings (over bunkers). At 121530H vic XS657525 and XS658528 A Trp destroyed 2 sampans. The rifle platoon was extracted at 121505H.

SUBJECT: Combat Operations After Action Report (MACV/RCS/J3/J2)

13 July: The 1st Recondo Bde conducted opns with 3 Inf Bn's (2-39, 2-60, 6-31), 1 Mech Bn (5-60) and 1 Air Cav Trp (A/3-17). At 130645H E/2-39 departed base camp at Rach Kien on a local sweep opn. At 130830H AHC reported in to 2-39. At 130930H Co A was lifted from Rach Kien and inserted in an LZ vic XS927745. At 131015H Co C was lifted from An Nhu Tan and inserted at 130950H vic XS927745. At 131115H Co A (-) was extracted from vic XS802662 and inserted vic XS799657. At 131205H the remainder of Co A was lifted from XS926745 and inserted vic XS799652. At 131218H Co E was extracted from vic XS693709 and returned to Rach Kien. At 131245H vic XS799657 Co A made contact with an estimated squad size VC force. The contact broke at 131255H. The results were 2 VC (BC), 5 POW's, 4 detainees, 2 AK-47's, 1 M-2 carbine, 1 pistol and assorted web gear captured. At 131250H vic XS799657 a Cav recon ship took several hits in rotor, no casualties, but helicopter returned to home base. At 131340H vic XS798654 Co A found 14 bunkers which they searched and destroyed. At 131408H Co C was lifted from vic XS885729 and inserted vic XS793653. At 131505H Co B was lifted from Rach Kien and inserted vic XS677723 on a Bushmaster opn. At 130700H the road sweep from Tan An to Binh Phuoc was completed at 130850H, no reported activity. At 131710H 1 plat of Co A picked up a convoy at CP39 and will escort it to Tan An. Co B at the Ben Luc bridge and Co C at the Tan An bridge have no incidents and are continuing their security missions. The 2-60 conducted local security operations and stood down for maintenance and refresher training. At 131745H Co C and an attached LRRP team initiated a Bushmaster opn vic XS641686. At 130710H Co B departed Binh Chanh by trucks for security missions vic XS794795. At 131050H vic XS826794 Co D found 5 2-man bunkers estimated to be 3 days old. The bunkers were destroyed. At 131100H Co D found 25 old bunkers and 3 chicom grenades in the same vicinity and destroyed them. At 131320H Co B reached the APC and secured the area for extraction. At 131322H the LOH hit by fire in the 2-39 contact made a forced landing near the APC hulk. Co B secured the downed LOH. At 131420H vic XS758808 Co A picked up a detainee with no I.D. card. At 131445H vic XS792793 a LOH which came to assist the one downed by fire, made a hard landing and was damaged. Both LOH's were extracted, the first at 131505H and the second at 131535H. At 131845H Co D was extracted from vic XS-826792 and lifted to Nha Be. At 131806H Co C was lifted from Nha Be, and inserted vic XS837796. At 131910H Co B was extracted from vic XS794795 and returned to Binh Chanh. At 130730H vic XS432782 A Trp conducted a BDA on the previous nights B52 strike. At 131040H A Trp concluded the BDA and supported 2-39 airmobile opns. At 131322H vic XS789751 1 LOH was hit by ground fire, ship attempted to return to Long Binh but made a forced landing in 6-31 area. At 131505 the damaged LOH was extracted from vic XS792793 to Long Binh.

14 July: The 1st Recondo Bde conducted opns with 3 Inf Bn's (2-39, 2-60, 6-31) 1 Mech Bn (5-60) and 1 Air Cav Trp (A/3-17). At 140020H vic XS682640 1st plat of B/2-60 spotted 12-14 VC moving north. Arty was fired with unk results. Plat will sweep area at first light. At 140610H 1st plat of Co B swept the area of arty impact w/neg findings. At 140752H A Trp 3-17 Cav reported in at Tan Tru to support airmobile opns. At 140900H AHC reported to 2-60. At 140900H vic XS754573 Cav unit picked up 3 detainees. At 140905H vic XS738583 the Cav picked up 5 more detainees running from gunships. All were military age. At 140910H Co A was lifted from Tan Tru and inserted vic XS739583 and began a sweep to the south. At 140920H vic XS620650 Co E conducting a road sweep from Tan An to Tan Tru found a 105mm command detonated mine. At 141010H vic XS620650 Co E found a second mine of some type as the first. Both mines were destroyed. At 141045H vic XS739581 Co A found some fresh bunkers and picked up 5 detainees. Bunkers were destroyed and the detainees were evacuated. At 141108H vic XS738593 Co A was extracted and inserted vic XS-771577 at 141119H. At 141115H vic XS771577 A Trp 3-17 spotted 4 VC with weapons in an open paddie. VC were taken under fire resulting in 2 VC (BC), 1 AK-47 and 1 chicom carbine. Co A was inserted in the area found the 2 weapons and an additional VC KIA wearing an ammo vest. Two of the dead VC were wearing green uniforms, the other black and white pajamas. At 141223H vic XS771577 Co A was extracted and

and inserted on a LZ located vic XS773575 and began a sweep to the NW. At 141450H vic XS774567 Co A was extracted and lifted into an LZ vic XS621721 where the Cav had high sniffer readings. At 141528H vic XS774574 Co A (-) was extracted and lifted back to Tan Tru. At 141615H the remainder of Co A was extracted from vic XS621721 and returned to Tan Tru. AHC was released to 6-31 at 141615H. (Delayed entry: At 131925H vic XS680729 1 man from Co B hit a booby trap and was wounded by fragment. Dust off completed at 131951H. At 132030H vic XS797652 Co A ambushed 5 VC in a sampan. Result was 5 VC (BC) and the sampan was sunk.) At 140013H vic XS679729 Co B spotted 2 VC moving south and engaged with organic weapons (sweep conducted at first light confirmed 2 VC (BC))). At 140815H vic XS745767 J ele, on road sweep, found a road block and removed it. At 141142H Co B completed its sweep from RON position to Rach Kien. At 141306H vic XS799655 was extracted from ambush position and returned to Rach Kien. At 141317H the CRIP ele was lifted from Rach Kien and inserted vic XS658712 with mission of setting up an ambush in the vic XS655708. At 141540H Co C completed a move from Rach Kien to An Nhut Tan. At 140450H 1 plat of Co C departed Tan An with a convoy in route to CP39. At 140545H vic XS665756 convoy commander reported 3 small road blocks with VC propaganda. Roadblocks were removed and convoy continued. Propaganda material will be turned in to G2. At 140830H Co A departed Binh Phuoc on a road sweep and security mission for an arty displacement. At 141630H B16 ele departed CP39 with a convoy which will RON at Ben Luc. At 141730H B16 ele and convoy reached RON position at Ben Luc. At 140850H Co C/6-31 began a RIF of area around their RON position in the rocket belt vic XS827795. At 141100H Co A and Co B switched positions, Co B moved to the Binh Dinh bridge and Co A moved to Binh Chanh. At 141440H Co C closed into the RON position vic XS844804. A Trp/3-17 Cav supported 2-60 airmobile operations with air cav, sniffer missions and gunships. At 141003H vic XS768553 the air cav was inserted on a sweep. At 141110H vic XS771577 the gunships killed 2 VC with 1 AK-47 and chicom carbine.

15 July: The 1st Recondo Bde conducted opns with 3 Inf Bn's (2-39, 2-60, 6-31), 1 Mech Bn (5-60) and 1 Air Cav Trp (A/3-17). (5-60 delayed entry: At 141845H, while at the Ben Luc bridge 1 EM from Co B slipped off the pontoon bridge and disappeared in the river. Rescue efforts failed to turn up his body. At 142120H the Ben Luc bridge received 8 82mm mortar rds. Mortars ceased at 142125H with negative casualties or damage. Counter mortar arty was fired on suspected mortar site vic XS601759 and a LFT was dispatched with unknown results.) During the day the 5-60 conducted bridge and convoy security opns. C26 closed at Dong Tam at 150630H with one convoy from Tan An. At 151050H Co A and Recon ele conducted Mech RIF opns vic XS574574 and XS563585 Co A found and destroyed 5 bunkers. At 151218H vic XS574574 Recon ele found and blew in place, 2 M-26 grenade booby traps. Recon ele completed its RIF and closed at Binh Phuoc at 151353H. Co A closed at Binh Phuoc at 151355H. At 151630H 2 APC's from Co C departed Tan An to secure a helicopter down with mechanical troubles vic XS5874. Chopper was lifted out by CH-47 at approximately 151730H before Co C APC's had reached the area. At 151900H Co A departed Binh Phuoc as RRF for contact developed by 2-39 and was to be inserted in blocking position north of 2-39 contact. Co B remained at Ben Luc bridge, and Recon element secured 2 small bridges between Tan and Ben Luc. (Delayed entry for 6-31: At 142047H vic XS719798 A56 ele fired SA and M79 on movement near their position and received 15-20 rds AK-47 in return. Contact broke at 142105H with negative casualties. VC casualties unk.) At 150625H vic XS749821 Co B found a mud, stick and straw road block. Road block was removed. During the day Co C conducted a footmobile RIF opn around its position (RON) vic XS845804. D Trp/3-5 Cav became OPCON to 6-31 at 151235H and checked out intelligence targets in the rocket belt, with negative finds. D/3-5 was released from OPCON of 6-31 at approx 151600H. Co C was to move to a new RON at the time of this report. Co A CP remained at Binh Chanh, Co B CP at the Binh Dien bridge, and Co D at Nha Be. (Delayed entry for 2-39: At 141854H vic XS710683 Co E had contact with 2 light AW's. Contact broke at 141856H with negative casualties. VC casual-

Contact broke at 201945H with neg friendly or enemy casualties. A/3-17 destroyed, at 201238H, 6 bunkers and 1 sampan. At 201740H vic XS601597 A Trp killed 1 VC w/wpn. At 201750H the aerial rifle platoon was inserted vic XS601597 with negative results.

21 July: The 1st Recondo Bde conducted opns with 3 Inf Bn's (2-39, 2-60, 6-31), 1 Mech Bn (5-60) and 1 Air Cav Trp (A/3-17). (Delayed entry for 2-39: At 202316H Co A was extracted from area of PRU contact and closed at Rach Kien at 202333H. At 202350H 2-39 received 5 rds of mortar fire outside of berm. Negative damage or casualties. The PRU unit was extracted with Co A.) Co C completed its night RIF opn vic XS700760 with neg results and was extracted to Rach Kien at 210020H. At 210705H vic XS742723 Recon ele found and removed a road block made of banana trees and leaves. Twenty five meters from the road block was another road block made of wires stretched across the road and staked down on each side of the road. Recon ele also found some propaganda leaflets in the area. From 210945H to 211230H the CRIP conducted a footmobile RIF opn vic XS707713 w/neg results. The 2-60 conducted local security patrolling and road sweeps during the morning hours. At 211402H vic XS467723 Co C made a combat assault and initiated an RIF opn in the area and was extracted at 211500H and reinserted vic XS453682 and XS449681 at 211505H and 211525H, respectively. Co C had neg results again and was extracted at 211545H and reinserted vic XS-444678 and XS449670 at 211605H and 211643H, respectively. Co C completed its opns w/neg results and was extracted to Tan Tru at 211820H. The 5-60 continued its bridge and road security and convoy escort opns without incident. One Co A ele escorted a convoy from Dong Tam to CP39, closing at CP39 at 21145H. At 211120H Recon ele established a blocking position vic XS615598 to XS615593 as Co C conducted a RIF opn into this block from vic XS610594. At 211345H vic XS612-591 Co C found and destroyed 15 2-man bunkers. Co C and Recon ele completed their opn and closed at Binh Phuoc at 211440H. (Delayed entry: At 202400H Co D at Nha Be reported 3 rds of incoming mortar fire.) At 210050H Co D reported the rounds landed close to Esso Tank Farm and that some tanks were burning. Fire fighting equipment was at the scene of the fire. At 210130H counter mortar fire was fired in grids XS889765 and XS883773. At 210600H Co D located three shell craters vic XS911310 and XS914310, back azimuth were 3400 mils and 3450 mils. At 210848H Co D started a sweep opn vic XS880775 in search of rocket firing positions. At 211010H vic XS835796 Co C reported 1 US and 1 VN WIA as a result of a mine. Dust off completed at 211035H. At 211107H Co D found a possible rocket firing site at XS886769. Area was approx 30 meters in diameter and well burned. At 211150H Co's A and B began an RIF opn vic XS767717. At 211150H Co C began a RIF opn vic XS880773 using boat assets. At 211150H vic XS769801 Co B killed 1 VC and captured 1 AK-47. Also found a VC body in same area estimated to be about 1 month old, and 24 US rockets. At 211500H Co's A and B returned to Binh Chanh and Co C returned to Nha Be. At 211935H Co D (-) was lifted from Nha Be and inserted vic XS873731. At 211407H A/3-17 picked up 5 military age detainees at 211500H vic XS467689 A Trp picked up 3 detainees. All detainees were evacuated to Tan An. At 211524H vic XS467689 A Trp destroyed 1 bunker and at XS-465695 destroyed 3 camouflaged sampans. At 211635H vic XS438769 A Trp located a freshly started foot bridge and inserted aerial rifle platoon to check it out.

SUBJECT: Combat Operations After Action Report (MACV/RCS/J3/J2)

At 211730H vic XS380774 to XS376773 A Trp destroyed 37 sampans, 27 bunkers and 3 grass hooches. A Trp reported that the bunkers were very fresh and that there were many signs of recent activity in the area. At 211815H vic XS371779 A Trp killed 1 VC and destroyed 10 sampans, 6 hooches and 3 bunkers.

22 July: The 1st Bde conducted opns with 3 Inf Bn's (2-39, 2-60, 6-31), 1 Mech Bn (5-60) and 1 Air Cav Trp (A/3-17). (2-39 delayed entry: At 212305H Co B made a night combat assault and initiated an RIF vic XS725664.) Co B completed its night RIF with negative results and was extracted to Rach Kien at 220003H. During the day the 2-39 elements conducted local security patrols, road sweeps, and stood down preparing for future opns. (2-60 delayed entry: At 212225H vic XS596668 A21 AP apprehended one detainee who walked by their AP location.) At 220125H vic XS614661 A11 AP pursued and engaged 2 VC on the road. The VC returned fire with RPG's. Arty was called in on the area. All ele swept the area with negative results. No US casualties were suffered in the brief contact. At 220920H while on a road sweep, opn, Recon J ele received fire from vic XS627654. Mortars were fired on the area. At 220928H J ele swept the area w/neg finds. The 2-60 elements stood down during the remainder of the day, preparing for night airmobile opns tonight. (5-60 delayed entry: At 212200H Co B engaged 6 VC on the west side of the Ben Luc bridge after receiving SA fire from the VC. Contact broke almost immediately with no US casualties and unk VC casualties.) The 5-60 conducted road and bridge security, and convoy escort opns without significant incidents or finds. At 221045H Co B conducted a sweep of the area of contact and found only blood trails vic XS602780. A36 ele escorted a convoy from Dong Tam to CP39, reaching CP39 at 221600H. At 221150H vic XS873738 D/6-31 found and destroyed 10 bunkers during an RIF in the area. At 221225H vic XS874737 Co D found and destroyed 8 4-man bunkers. At 221341H Co C made a combat assault and initiated an RIF opn vic XS854770. At 221347H Co D was extracted from its RIF vic XS874737 and reinserted vic XS902738 at 221354H. At 221615H vic XS886745 a partly burned UH-1B helicopter was sighted on the ground. Co D was inserted to secure it, and conducted a sweep around the area of the helicopter. At the close of this report Co's C and D were continuing their RIF opns. A/3-17 continued armed aerial reconnaissance in support of 1st Bde opns, working with 6-31 elements vic Co's C and D RIF opns. At 221707H vic XS485698 A Trp sank one sampan.

23 July: The 1st Bde conducted opns with 3 Inf Bn's (2-39, 2-60, 6-31), 1 Mech Bn (5-60) and 1 Air Cav Trp (A/3-17). At 231355H A/2-39 made a combat assault and initiated an RIF opn vic XS733647. At 231428H vic XS734634 Co B made a combat assault to join Co A in the 2-39 RIF. At 231515H vic XS733643 Co A picked up 3 detainees w/o I.D. cards, 1 US carbine, some documents, and some AK-47 ammo. At 231545H vic XS735645 while enroute to a downed A/3-17 helicopter, Co A made contact with an unknown size VC force. At 231605H Co C was inserted vic XS743647 to exploit Co A's contact. At 231645H vic XS743645 Co C had 1 US RHA. At the close of this report Co's A and C were still in contact with Co B closing into the area of contact. (2-60 delayed entry: At 222110H vic XS696589 Co B made a night combat assault and initiated a RIF opn in the area. Co B completed its RIF opn with neg results, and was extracted to Tan Tru at 222345H.) The 2-60 conducted local security patrolling, road sweeps and stood down during the day. At 231600H the 2-60 was alerted to be committed in the 2-39 area of contact. At the close of this report 2 co's of 2-60 were getting into PZ's to be inserted into the 2-39 area of contact. The 5-60 continued road and bridge security and convoy escort opns without incident. At 230928H, while on a local patrol, Recon ele found a VC flag. At 231415H Co C replaced Co B as the security unit at the Ben Luc bridge. Co B closed at Binh Phuoc at 231555H. At the close of this report Co B had been alerted to get into a PZ and was to be committed in the 2-39 area of contact. (6-31 delayed entry: At 221818H vic XS838796 Co C was inserted to conduct a night RIF opn. At 221845H Co D was inserted vic XS-858765 to conduct a night RIF opn in that area. Co's C and D RON vic XS858797 & XS901748, respectively.) The 6-31 continued DARMA, RIF and local security opns without incident. At the close of this report Co's C and D were to RON in the Saigon and Nha Be rocket belts, respectively. (A/3-17 delayed entry: At 222307H vic XS712568 A Trp destroyed 1 sampan and had 1 VC KIA (BC).) A Trp continued armed aerial reconnaissance in support of 1st Bde opns with priority to the 2-39. One of A Trp's UH-1H helicopters which went in to secure the downed LOH took

leave the area and landed at Tan An airstrip. A cobra gunship which was trying to suppress the fire on the downed helicopter, also took several hits which damaged its hydraulic system and was forced to leave the Tan An airstrip. The 2-39 elements were sent in to secure the downed helicopter and destroy the VC force in the area. At the close of this report the downed helicopter and its crew had not been evacuated from the area and the LOH's crew and two persons from the UH-1H which went in to secure the LOH were thought to be WHA or KHA.

24 July: The 1st Bde conducted opns with 3 Inf Bn's (2-39, 2-60, 6-31), 1 Mech Bn (5-60) and 1 Air Cav Trp (A/3-17). (2-39 delayed entry: At 232125H Co E was lifted from Rach Kien and inserted vic XS740645. At 232215H Co B/5-60 (OPCON to 2-39) was inserted vic XS725645. At 232215H vic XS737646 Co C killed 2 VC (BC) and captured 1 POW and 1 US carbine. At 232240H vic XS738588 Co B found 2 VC (BC) and 2 AK-50's. At 232350H 2-39 reported that Co C had sustained 2 US KHA and that Co B sustained 1 US WHA. At 232355H Co A reported 5 US WHA, 19 VC (BC) and 2 AK-47's vic XS733643.) At 240310H vic XS743645 Co C made contact with several VC trying to escape to the east. Contact broke at 240310H with neg results. At 240720H vic XS734648 Co's E, C and B, 5-60 started sweeps of the contact area. At 240830H vic XS733649 Co A found 1 US BAR and 1 AK-47. At 240945H vic XS736649 Co A found 2 VC (BC). At 241130H Co B was extracted from vic XS734647 and inserted in rocket belt. At 241445H Co A was extracted from vic XS736648 and returned to Rach Kien. At 241505H Co C was extracted from vic XS739648 and returned to Rach kien. At 241528H Co E was extracted from vic XS736563 and returned to Rach Kien. (2-60 delayed entry: At 231845H Co C was lifted from Tan Tru and inserted vic XS-750655. At 231944H Co A was inserted vic XS740655 and at 232000H Co B was inserted vic XS737655. At 232140H vic XS730656 Co C killed 2 VC (BC) and found 1 AK-50.) At 240726H Co B was extracted from XS738654 and inserted vic XS728635 Co A found 4 VC (BC) and 1 AK-47. At 240935H vic XS733631 Co B received AW and B40 fire; also picked up 2 detainees in the area. At 240955H vic XS733631 Co B sustained 2 US WHA. Dustoff completed at 241010H. The contact broke at 241024H and Co C picked up 2 more detainees vic XS733629. At 241130H Co C was extracted from vic XS707643 and returned to Tan Tru. At 241628H Co C was extracted and returned to Tan Tru. At 241641H Co A was extracted and returned to Tan Tru. The 5-60 continued road, bridge and convoy security missions. At 241340H Co B was released from OPCON of 2-39. The 6-31 continued security missions in the rocket pocket and on the Binh Dien bridge. At 240932H Co D was extracted from the rocket pocket and returned to Nha Be. Co's B and C conducted local footmobile RIF opns with neg results. A/3-17 Cav delayed entry: The LOH which was shot down at 231545H was secured at 241600H. The result of the crash was 3 US KHA and 2 wounded. At 240700H A Trp reported in to support the 2-39 contact area.

25 July: The 1st Bde conducted opns with 3 Inf Bn's (2-39, 2-60, 6-31), 1 Mech Bn (5-60) and 1 Air Cav Trp (A/3-17). At 250730 vic XS739778 R/2-39 reported a series of brush and rock roadblocks which they removed. At 251400H vic XS716697 a LRP Team drew light automatic weapons fire. Co C was alerted to reinforce LRP. At 251520H Co C was lifted from Rach Kien and inserted vic XS716607. At 251607H the LRP's and Co C linked up vic XS729715. Co C made a RIF of area w/neg results and moved by foot back to Rach Kien. At 250105H vic XS712645 Co A made contact with an estimated 30-50 VC. At 250220H the contact broke. Results were 3 US KHA 11 US WHA. VC casualties were 5 VC (BC) and 4 AK-47's. At 250947H Co C was lifted from Tan Tru and inserted vic XS560811 to support 4-39 opns. At 251035H Co C reported 5 VC (BC), 1 M1 carbine and 1 AK-50 vic XS558813. These were killed by A/3-17. At 251103H vic XS557812 Co C captured 2 VC POW and 1 complete 60mm mortar. At 251155H vic XS557810 Co C found 1 medical bag, 2 AK-50's, 1 38 cal pistol and 5 sampans loaded with ammo and clothing. At 251115H Co B was lifted from Tan Tru and inserted vic XS560807. At 251213H Co B was lifted from Tan Tru and inserted vic XS560807. At 251215H Co C found 3 VC (BC), 1 38 cal pistol, 1 M1 rifle and 1 RPD machine gun. At 251445H vic XS560807 Co B found 3 VC (BC) and captured 16 boxes of explosives, 6 fuses for 122mm rocket, 8 warheads for 122mm

rocket and a 50 gal drum of fuel. At 251450H vic XS560813 Co C found 2 VC (BC) and captured 1 woman detainee, 1 75mm rd, 10 mortar fuses, 4 square land mines, 2 round land mines, 1 82mm bipod, 15 flares, 125 AK mags, 30 RPD mags, 75 clips of M1 ammo, 25 4lb blocks of TNT and assorted web gear and uniforms. At 251345H Co A was lifted from Tan Tru and inserted vic XS562830. At 251430H Co C captured 1 woman detainee. At 251530H Co C captured 1 VC WHA with .38 cal pistol vic XS560-810. At 251555H Co C found a cache of medical supplies vic XS560810. At 250840H 4-39 commenced landing on Blue Beach I, II and III. At 251035H vic XS549802 Co B found an extensive bunker complex consisting of about 50 bunkers, all destroyed. In same area Co B found 1 B40 rd and 9 chicom grenades which were destroyed. At 251101H Co B killed 1 VC vic XS549802. At 251630H Co B found 4 VC (BC) in vic of XS546800; no weapons. The 5-60 continued road, bridge and convoy security missions without incident. At 251100H vic XS774812 Co A found several bunkers, misc cooking utensils and AK mags. Bunkers were destroyed. At 251455H Co A and B closed back in Binh Chanh. At 251135H vic XS559805 A/3-17 killed 8 VC and captured 1 POW.

26 July: The 1st Bde conducted opns with 4 Inf Bn's (2-39, 4-39, 2-60, 6-31), 1 Mech Bn (5-60) and 1 Air Cav Trp (A/3-17). (2-39 delayed entry: The 2-60 completed its opns northwest of Ben Luc and were extracted to Tan Tru, with Co A closing at 251753H, Co B at 251900H, and Co C at 251925H.) During the day the 2-60 conducted local security patrolling, road sweeps, and stood down, preparing for future opns. One Co of 2-60 is scheduled to replace B/2-39 in the Nha Be rocket belt during the night. The 4-39 continued riverine opns northwest of Ben Luc. (Delayed entry: At 251730H vic XS568806 Co C found 3 VC KIA (BC).) At 26001H vic XS555805 Co fired M-79 on 1 person sighted about 150 meters from their position with unknown results. At 261155H vic XS573837 Co A found and destroyed 14 bunkers. One dud 105mm rd was also destroyed in same vic. The 4-39 continued their riverine opn vic XS569847 and XS564835 w/neg further incidents. (5-60 delayed entry: At 251931H vic XS580581 B-5 AP was in contact with an estimated VC squad. .50 cal from an APC and arty supported B-5. Contact broke at 251945H with negative casualties, and unk VC casualties. At 252100H vic XS584560 B-5 AP was again in contact receiving AW and M79 fire. Arty was fired in support. A LFT also supported the action. The contact broke at 252120H w/neg US casualties and unk VC casualties.) The 5-60 continued convoy escort, local security patrolling, road and bridge security opns. At 260850H vic XS585567 while on a local patrol Recon ele found and destroyed 40 bunkers. At 260930H vic XS594580 while blowing another bunker, Recon ele had a secondary explosion. Co B swept the area of its B-5 AP vic XS584560. At 261440H vic XS626556 Co B picked up 1 detainee. Recon ele completed its local patrol and closed at Binh Phuoc at 261511H. The 6-31 continued DARMA, RIF and local interdiction opns in the Saigon and Nha Be rocket belts without incident. Inserting Co D and extracting Co C on alternate trips Co D was inserted into the Saigon rocket belt vic XS865815 at 261014H, and Co C was extracted from the Saigon rocket belt to Nha Be at 261027H. Co A, B, and E remained at Binh Chanh. The CRIP initiated a night roving patrol at 252400H and moved from vic XS-748700 to XS763704 to XS763704 to XS759697. At 260500H the CRIP closed at Rach Kien w/neg results or finds on their patrol. At 260827H Co A was inserted vic XS-699672 and initiated a RIF in the area. Co E was inserted vic XS735644 at 261005H. At 261204H vic XS735648 Co E found 3 bunkers, 1 anti-tank mine, 3 pith helmets, & 1 NVA uniform. At 261204H Co A was extracted from vic XS707676 and reinserted vic XS722665 at 261217H. At 271210H Co B was lifted from its 48 hour RIF and local interdiction opn in the Nha Be rocket belt vic XS884745 and extracted to Rach Kien by CH-47 at 261225H. At 261415H vic XS747649 Co E had 1 US WHA by a grenade booby trap. 30 bunkers were also found and destroyed in the same vic. At 261502H Co E was extracted from vic XS749650 and reinserted vic XS703674 at 261510H. At 261538 Co A was extracted from vic XS724656 and reinserted vic XS675704 at 261556H. At 261610H the CRIP was lifted from Rach Kien and inserted vic XS649719 at 261620H. At 261717H vic XS670695 Co A made contact with an unk size VC force. Co A had 1 VC KIA (BC) and 1 AK-47 in the initial minute of contact. At 261719H vic XS670695

Co A had 1 US WHA. At 261725H vic XS670695 Co A had 4 more VC KIA (BC) and 2 more AK-47's. At 261800H vic XS670695 Co A had 13 more VC KIA (BC) and 2 more AK-47's. At 261821H vic XS670695 Co A's contact ceased except for a small amount of sniper fire. All VC KIA's were wearing brown uniforms. At the close of this report Co E was to RON vic XS691693, the CRIP were to RON vic XS653706, and Co A was to be extracted to Rach Kien. A/3-17 continued armed aerial reconnaissance in support of 1st Bde with priority to 4-39 and 2-39 opns. At 260930H vic XS603-813 A Trp destroyed 1 1-man bunker that 1 VC had run into. The VC was reported as 1 VC KIA (poss). A Trp flew sniffer missions with neg results or high readings in likely areas of VC concentrations.

27 July: The 1st Bde conducted opns with 4 Inf Bn's (2-39, 2-60, 4-39, 6-31), 1 Mech Bn (5-60) and 1 Air Cav Trp (A/3-17). (2-39 delayed entry: Co A had 2 additional AK-47's from its contact vic XS670695 from 261717H to 261820H over what was reported in 26 July SITREP. Co A was extracted from its area of contact and lifted to Rach Kien at 262045H.) At 271145H vic XS632714 the CRIP had a brief contact with 2 VC. Results: 2 VC KIA (BC). Both VC had one hand grenade and one had some fishing line and a stick on their person. At 271335H vic XS688686 Co E had a brief contact with an unknown size VC force. Results: 2 VC KIA (BC), 1 82mm mortar sight, 1 mortar plotting table, assorted web gear, 6 back packs, 1 .38 cal pistol with holster, 2 maps, 1 compass, a bag of documents, a small medical kit & 12 bunkers (destroyed bunkers). At 271730H vic XS671688 Co E found a sampan loaded with 74 cans of C-4 explosive, 35 B-40 rds, 35 propellant charges, and 212 60mm mortar rds. (5-60 delayed entry: At 261935H vic XS567690, while securing 1 of the 2 small bridges between Ben Luc and Tan An Recon ele received SA fire from approximately 3 VC. Fire was returned and the area where fire came from in the brief contact was swept with neg results. Neg US casualties.) At 270040H the Ben Luc bridge secured by Co C received 12 rds of 82mm mortar fire. There were no casualties or damage. Counter mortar arty was fired on suspected mortar site with unk results. During the day the 5-60 continued road and bridge security local patrolling and convoy escort opns without incident or significant finds. At 270950H and 271005H vic XS671660 and XS667658, respectively, Co B was inserted and initiated a RIF opn in the area split into 2 elements. At 271028H vic XS667653 a third element of Co B was inserted to conduct an RIF in that area. At 271058H vic XS684658 Co B picked up 1 male detainee. At 271117H and 271130H Co A elements were inserted vic XS693655 and XS703655. At 271140H vic XS683652 near some old bunkers Co A found some VC documents. At 271150H Co B was extracted from vic XS-671660 and reinserted at 271155H vic XS706633. At 271235H Co A was extracted from vic XS695654 and XS687652 and reinserted at 271250H vic XS705626. At 271355H vic XS706633 Co B picked up 3 detainees. At 271350H vic XS703652 Co A picked up 3 detainees. At 271350H vic XS682652 Co B picked up 10 detainees. At 271505H Co B was reinserted vic XS708635. At 271540H Co A was extracted from vic XS704633 and reinserted at 271546H vic XS663651. At 271510H vic XS699615 Co A apprehended 11 detainees. At the close of this report Co's A and B were to be extracted to Tan Tru. At 270905H Co B made initial assault onto White Beach I vic XS549896. At 270925H Co A made assault onto White Beach II vic XS547905. At 271250H vic XS-573925 Co A picked up 1 detainee without ID card. At 271121H Co C found 1 VC (BC) which had been killed by gunships from Cav. At 271209H Co C picked up 1 detainee without ID card who indicated there were 10 VC in the area. At 271300H Co B was extracted from White Beach I by boat and inserted vic XS562918. At 271300H Co B fired on 6 VC fleeing from bunkers vic XS562918. Neg results. At 271500H vic XS568919 Co B found 1 FRC 25 hand mike, part of a LAW, 1 helmet liner and a medical bag. These were located in some bunkers of a 33 bunker complex w/OHC. Bunkers were destroyed. At 271705H the 4-39 C&C ship received small arms fire from vic XS570912. There were no hits to the ship and ground troops were moved into the area. At 271835H vic XS570910 Co B came in to contact with an estimated VC squad. Arty fire and LFT were in support. At 271900H vic XS571921 Co C moved into area where VC squad was located. Contact had broken and there were no personnel in the area. Found 1 bunker which was destroyed. At 270715H A/6-31 began a RIF vic XS-

748785. At 271334H vic XS768782 Co A had 2 WHA as a result of a booby trap. Dust off completed at 271402H. At 271545H 6-31 relayed message from Binh Dien bridge that flashes were observed in vic XS770815; could be possible rocket firing. At 270945H A/3-17 vic XS573926 killed 1 VC (BC). At 271100H vic XS574-914 A Trp killed 1 VC (BC). At 271100H vic XS573926 A Trp destroyed 4 sampans, 1 bunker and 1 hooch. At 271500H vic XS671688 found a sampan with 212 rds of 60mm mortar, 74 cans of C4 and 35 B-40 rocket rds. Ammo was evacuated.

28 July: The 1st Bde conducted opns with 4 Inf Bn's (2-39, 2-60, 4-39, 6-31), 1 Mech Bn (5-60) and 1 Air Cav Trp (A/3-17). At 280845H Co C was lifted from Rach Kien and inserted vic XS747665. At 280925H Co B was lifted from Rach Kien and inserted vic XS742653 and XS745659. At 281010H vic XS746659 Co C found and destroyed 13 bunkers. At 281015H Co E was extracted from vic XS678686 and returned to Rach Kien. At 281006H Co A was extracted from vic XS633733 and returned to Rach Kien. At 281040H vic XS746658 Co C had 3 US WHA from a booby trap. Dust off completed at 281105H. At 281155H Co C was extracted from vic XS744658 and inserted vic XS663697. At 281245H Co B was extracted from vic XS745655 and inserted vic XS678692. At 281350H vic XS785013 Co B found and destroyed 5 2-man bunkers. At 281546H Co B was extracted from XS675694 and inserted vic XS654716. At 281800H Co C was extracted from XS675697 and returned to Rach Kien. One plat was left in stay behind position. At 281818H Co B was extracted from XS655715 and returned to Rach Kien. One plat was left in area as stay behind ambush. The 2-60 conducted local security opn, maintenance refresher training and stood down in preparation for future opns. At 281610H Co C was extracted from vic XS834743 in the rocket belt and returned to Tan Tru. At 280800H Co B was sent to block on an ARVN contact vic XS603595. At 280905H vic XS597601 Co B established a blocking position. At 280600H C16 picked up a convoy at CP39 and closed Dong Tam at 280945H. At 281150H Co B swept to the north of blocking position and returned to Binh Phuoc. At 280855H vic XS780825 Co B began an RIF of the area. Initial insertion was made by boats. At 280955H vic XS799777 Co B found and destroyed 2 bunkers. At 281045H Co B found and destroyed 2 foxholes and 9 bunkers in area from XS798780 to XS794794. At 281055H vic XS795795 Co B found a squad size base camp which they destroyed. At 281210H vic XS793797 Co B found and destroyed 7 old bunkers. At 281425H vic XS785810 Co B found and destroyed 5 fresh bunkers. Opn terminated at 281710H. At 280100H vic XS573923 C/4-39 picked up 1 detainee without I.D. At 281145H vic XS551910 Co A found a small base camp with 11 bunkers, fresh food, 25 lbs of rice, pots and pans and medical supplies. Bunkers were destroyed. At 281512H vic XS568913 Co B found 6 sampans, 3 gas motors and 150 rds of AK ammo. Ammo and motors were evacuated and sampans destroyed. At 280910H vic XS547908 A Trp destroyed 1 sampan and 1 lean-to. At 280945H vic XS559805 A Trp destroyed 3 sampans. At 281330H vic XS646715 A Trp destroyed 2 sampans and 5 new bunkers.

29 July: The 1st Bde conducted opns with 4 Inf Bn's (2-39, 4-39, 2-60, 6-31), 1 Mech Bn (5-60) and 1 Air Cav Trp (A/3-17). The 2-39 conducted local security patrolling, road sweeps, and stood down. At 290805H vic XS767724 while on a road sweep Recon ele found and removed a roadblock made of sticks and leaves. At 290835H vic XS769725 Recon ele found and removed a second roadblock made of sticks, palm leaves and bamboo leaves. At 291340H C16 ele was extracted from its RON vic XS673795 and returned to Rach Kien at 291247H. At 291247H B26 ele was extracted from its RON vic XS673695 and returned to Rach Kien at 291257H. At 291615 at the Rach Kien front gate, the 2-39 apprehended 1 detainee. Co A remained OPCON of 6-31 Inf. At 290836H 5 sorties of Co A were inserted vic XS618830 and initiated an RIF opn in the area. At 290902H 5 sorties of Co A were inserted vic XS616813 to also conduct an RIF opn. At 291035H one half of Co A was extracted from vic XS618830 and reinserted at 291045H vic XS623815. At 291045H the second half of Co A was extracted from vic XS616813 and reinserted at 291053H vic XS-575810. At 291230H vic XS579817 Co A found 1 VG KIA (BC), 1 9-mm pistol, 1 AK-47, 1 grenade, and 3 homemade grenades. At 291318H Co B was inserted vic XS586826 and initiated an RIF opn in the area. At 291435H Co A was extracted from vic XS-586515 and reinserted at 291445H vic XS577828. At 291455H vic XS575830 Co A found and destroyed 1 bunker. At 291545H Co A was extracted from vic XS575830.

At 241630H Co C had moved from vic XS754563 to vic XS754568. At 241725H and 241740H Co C was extracted from vic XS744543 and XS761551, respectively, and lifted to Tan Tru at 241730H and 241750H. At 241750H and 241832H Co A was extracted from vic XS638655 and lifted to Tan Tru at 241800H and 241837H. The 5-60 conducted road and bridge security without incident today. From 240545H to 240850H Co A and Recon Plt conducted a mechanized RIF with Recon Plt establishing a blocking position vic XS555589 and Co A sweeping through objectives vic XS566579, XS563584, and XS558588. Co A and Recon Plt had negative results on their RIF and closed at the 5-60 CP at Binh Phuoc at 241023H. Co B remained at the Ben Luc bridge and Co C at the Tan An bridge. A Trp/3-17 Cav continued armed aerial reconnaissance in support of 1st Bde opns with priority to the 2-60 AML opns. At 241050H A Trp picked up 2 VC flags vic XS640670 and 1 VC flag vic XS648682. At 241430H vic XS638655, A Trp had 2 VC KIA (BC). At 241630H vic XS721565 A Trp destroyed 1 sampan after picking up a high "people sniffer" reading in the area. Other activities, at 240145H the 1st Bde CP at Tan An received 15 mixed B-40 rocket and unknown size (suspected to have been 60mm) mortar rounds. Negative casualties. One 2-4 Arty 3/4 ton truck slightly damaged. At 240800H vic XS590661 Co C, 15 Engr found a roadblock made of 2 large mounds of dirt and straw. Two secondary explosions occurred when roadblock was blown. Road was cleared at 240850H. At 241410H vic XS647547 the 5-60 spotted 3 roadblocks made of palm branches and mud. Co C, 15th Engr cleared the roadblocks at 241500H.

25 August: The 1st Bde conducted opns with 2 Inf Bn's (2-39, 2-60), 1 Mech Bn (5-60) and 1 Air Cav Trp (A/3-17). (2-39 delayed entry: At 242250H 1 dud rocket round landed outside the perimeter at Rach Kien). At 250917H Co A was lifted from Rach Kien and inserted on an RIF vic XS812694. At 250943H Co E was lifted from Rach Kien and inserted on RIF mission vic XS812693. At 1120H Co E was extracted from vic XS812692 and returned to Rach Kien. At 251135H Co A was extracted from vic XS812692 and returned to Rach Kien. At 251204H Co B was lifted from Rach Kien and inserted on a Recondo Checkerboard opn vic XS672723. Air Assets and A/3-17 Cav were released to 3d Bde at 251220H. 2-60 conducted local security opns, refresher training and stood down in preparation for future opns. At 251620H vic XS695633 the S3 of 2-60 on a VR flight in an OH23 located a suspected rocket launching site. Also received heavy automatic weapon fire from vic XS690694. OH23 sustained three hits and had to land at Tan Tru. LFT was sent into area but there were no further results. 5-60 continued road, bridge and convoy security missions without incident. Co B picked up convoy at CP39 at 250850H and proceeded to Dong Tam. (A/3-17 delayed entry: At 242147H vic XS525580 A Trp destroyed 1 sampan resulting in 1 VC (BC). At 250730H A Trp supported ambl opns of 2-60. At 251230H A Trp was released to OPCON of 3d Bde.

26 August: The 1st Bde conducted opns with 2 Inf Bn's (2-39, 2-60), 1 Mech Bn (5-60) and 1 Air Cav Trp (A/3-17). (2-39 delayed entry: At 252000H vic XS687708 vic Co B received some AW fire from estimated 4 VC. Fire was returned and artillery was called in with negative results). At 261340H Co B completed cross country tactical move from night opn area to Rach Kien. 2-39 conducted local security opns, refresher training and stood down for maintenance and preparation for future opns. The 2-60 at 260830H Co B was lifted from Tan Tru and inserted on a RIF vic XS656639. At 261002H Co B was lifted from vic XS660640 and inserted vic XS634694. At 261055H Co C was lifted from Tan Tru and inserted on a RIF vic XS261230H vic XS637694 Co B captured 1 VC POW. POW evacuated for questioning. At 261330H Co B was lifted from vic XS637688 and inserted vic XS626795. At 261455H Co C was lifted from vic XS618688 and inserted vic XS645805. 5-60 continued road, bridge and convoy security missions. At 260645H Co A found mud and straw road block vic XS562608. Civilians in the area removed it. At 261720H vic XS558637 a truck from S4/5-60 was ambushed with negative casualties or damage. Elements of 5-60 conducted sweep of the area. Results were 4 female detainees and 1 male detainee. Detainees were released. At 261130H A Trp 3-17 Cav had 1 VC KIA (BC) and destroyed 2 sampans vic XS639694. At 261450H A Trp inserted ARP vic XS605785 to check out man running into hooch. The gunships fired on hooch which burned and had 2 secondary explosions. Three VC POW's were captured.

SUBJECT: Combat Operation After Action Report (MACV/RCS/J2/J3)

Other Activity: At 201645H vic XS668847 1st Bde C&C helicopter developed mechanical trouble, crashed and burned. Results were 2 crew members killed, 1 injured (Bde Co), and 4 uninjured. Co 2-60 and elements of A/3-17 picked up the survivors and at the close of this report Co C, 2-60 was securing the crash area.

27 August: The 1st Bde conducted opns with 2 Inf Bn's (2-39, 2-60), 1 Mech Bn (5-60) and 1 Air Cav Trp (A/3-17). 2-39: At 270815H and 270838H Co C was lifted from Rach Kien and reinserted at 270833 and 270844H vic XS790691 to conduct an RIF opn in the area. At 270945H vic XS790695 Co C found and destroyed 15 bunkers. At 271027H vic XS778691, while destroying an unknown number of concrete structures, Co C had 2 secondary explosions. At 271130H 10 sorties of Co C were extracted from vic XS790692 and reinserted at 271120H vic XS781697. At 271210H vic XS779696 Co C reported receiving AK fire. At 271355H vic XS780696 Co C had 3 US WHA (evacuated at 271328H). At 271310H and 271325H Co B was lifted from Rach Kien and inserted at 271320H and 271332H vic XS786697 to reinforce Co C's contact. At 271400H vic XS780696 Co C had 7 VC KIA (EC), 1 RPG launcher, and 4 AK-50's. At 271414H vic XS779695 Co C had 1 VC KIA (EC), 1 POW, 2 AK-50's and 1 RPG launcher. At 271435H vic XS779695 Co C had 7 VC KIA (EC), 4 AK-50's and 1 US carbine. At 271500H vic XS779695 Co C had 2 VC KIA (EC) and 1 AK-50. At 271417H vic XS779695 Co C had 4 57mm recoilless rocket rds, 70 M16 magazines and assorted web gear. At 271650H vic XS781698 Co C was still receiving fire, and at the same time vic XS781698 Co B had established contact and was receiving fire. At 271647H Co A was lifted from Rach Kien and inserted at 271718H vic XS778698 to reinforce Co's B & C in the area of contact. At 171720H Co C's contact has ceased, but Co B's contact continued vic XS787698 and Co B reported 2 US KHA and 1 US WHA. At the close of this report (271845H) Co's A & C were in contact and all the 2-39 elements were establishing RON positions in the area of contact. 2-60: (Delayed entry: At 261615H and 261623H Co B was extracted from vic XS632799 and reinserted at 261620H and 261625H vic XS638682 and XS650790. At 261745H vic XS638786 Co B had 2 VC KIA (EC). VC were taking evasive action swimming across a stream. At 261805H and 261820H Co C was extracted from vic XS644805 and reinserted at 261815H and 261828H vic XS670845 and XS673853 to secure the crashed 1st Bde C&C helicopter. At 261820H Co B was extracted from vic XS638782 and lifted to Tan Tru at 261840H. Co C established RON positions around the crashed helicopter vic XS668847. At 262000H the 2-60 CP at Tan Tru received 5 rds of 82mm mortar fire outside the perimeter. Negative casualties or damage.) The 2-60 elements conducted local security patrolling, maintenance and stood down during the day, except Co C which continued to secure the crashed helicopter vic XS668847. At the close of this report Co C was scheduled to be extracted to Tan Tru. 5-60: The 5-60 continued road and bridge security and convoy escort opns. (Delayed entry: At 262001H vic XS560627 a Co C APC enroute to Tan An Airstrip hit a pressure mine. Results: 1 US WHA (slight) and 1 APC disabled.) At 270700H Co C and Recon Plat began Mech RIF opns with Co C sweeping vic XS580578 to XS595600 to XS589628 and Recon Plat sweeping vic XS564597 to XS583629. At 271000H vic XS591615 Co C found and destroyed 12 bunkers. At 261120 Co C and Recon Plat finished their Mech RIF opns without further incident or significant finds and returned to Binh Phuoc. A Trp/3-17 Cav: (Delayed entry: At 261750H vic XS668850 A Trp's rifle element found 72 RPG rds and 100 .30 caliber rds of ammo.) At 270945H vic XS789694 A Trp had 1 VC KIA (EC). At 271100H vic XS790694 A Trp destroyed 2 hooches and 2 bunkers. At 271110H vic XS782693 A Trp had 1 VC KIA (EC). At 271150H vic XS779696 A Trp engaged 5 VC and had 2 VC KIA (EC). At 271355H vic XS779692 went down with mechanical troubles. The LOH was extracted at 271500H. At 271808H vic XS856695 A Trp had 1 VC KIA (EC).

28 August: The 1st Bde conducted opns with 2 Inf Bn's (2-39, 2-60), 1 Mech Bn (5-60) and 1 Air Cav Trp (A/3-17). 2-39: (Delayed entry: At 272010H the 2-39 contact vic XS779695 had broken. At that same time vic XS786695 Co B reported 2 more US KHA and 2 US WHA. Co A vic XS778694 reported 1 US WHA. Co C vic XS785696 reported 2 VC KIA (EC) w/2 AK-50's). At 280110H vic XS780694 Co A had 1 Hoi Chanh w/1 AK-50. From 280215H to 280225H the 2-39 CP at Rach Kien received 3 107mm rocket rds and 24 82mm mortar rds. Neg casualties or damage. At 280315H the 2-39 CP at Rach Kien received 2 82mm mortar rds. Negative casualties or damage during either mortar attack. At 280724H vic XS778694 Co A found 3 VC KIA (EC). At 280730H vic XS775695 Co C found 5 VC KIA (EC) by arty. At 280800H

SKS and contact was still being maintained. At 211730H vic XS662735 Co C had 1 more VC KIA (BC) and 1 POW w/1 AK-50. At 211815H vic XS662735 Co C's contact broke. At 211820H and 211830H co A was extracted from vic XS659703 and lifted to Rach Kien at 211825H and 211835H. At the close of this report Co C continued its Recondo checkerboard opn. The 2-60 conducted local security patrolling, maintenance, road sweeps, and stood down, preparing for future opns. At 210135H at Tan An south the S4, 5-60 reported receiving 9 incoming rds of M-79 fire which landed outside the berm. Neg casualties or damage. From 210140H to 210146H Co C received 12 rds of 82mm mortar fire on east side of the Tan An bridge. Clearance was denied by ARVN to fire counter mortar fire on suspected enemy mortar site vic XS554657. Neg casualties or damage. From 210208H to 210212H at Binh Phuoc the 5-60 CP received 6-7 rds of mixed 60mm and 82mm mortar fire. Neg casualties or damage. Counter-mortar arty was fired on suspected mortar site vic XS611563. At 210305H the Tan An airstrip received 12 rds 82mm mortar fire. Neg casualties or damage. A LFT checked out suspected mortar site vic XS510642 w/neg results. At 210415H the S4/5-60 reported that Tan An south received 20 rds of 82mm mortar fire. All rds landed outside the berm. At 210500H at the Ben Luc bridge Co B apprehended 1 detainee found on a 5-60 VTR vehicle. Detainee was turned over to 50th Regt (ARVN). At 210620H vic XS626557 Co A was in position with ARVN RF/PF in a combined cordon and search opn. At 210741H Co B picked up 2 convoys at CP 39 enroute to Dong Tam. At 210820H vic XS561671 Co C found 1 case of M-79 rds and 3 VC flags. At 210820H vic XS626557 Co A reported the combined cordon and search opn was completed with neg results. Co A closed at Binh Phuoc at 211016H. At 211330H vic XS591575 with its 2 convoys enroute to Dong Tam Co B reported the convoy was stopped because Hwy 4 had been cratered in 3 places. Co C, 15th Engr was filling the craters. There were also piles of dirt on the road which when checked by Co C, 15th Engr mine detectors gave positive readings. Upon blowing the piles of dirt Co C, 15th Engr had 46 grenade size secondary explosions. Seven plastic grenades that did not explode were evacuated. At 211412H vic XS491575 Co B reported the road sufficiently repaired and traffic was moving again. Co B continued its convoy escort without further incident. A/3-17 continued armed aerial reconnaissance in support of 1st Bde opns with priority to the 2-39 AML opn. At 211745H vic XS649701 A Trp had 1 VC KIA (BC).

22 August: The 1st Bde conducted opns with 2 Inf Bn's (2-39, 2-60), 1 Mech Bn (5-60) and 1 Air Cav Trp (A/3-17). (2-39 delayed entry: At 211940H Rach Kien received 8 82mm mortar rds. Firing ceased at 211955H, resulting in 3 US WHA and several hooches damaged.) At 220204H Rach Kien received 1 rd of 107mm rocket. Result was 1 US KHA and 2 hooches damaged. At 220728H vic XS661736 Co C had 1 US KHA from booby trap of unk type. At 221008H Co C was extracted from XS657733 and returned to Rach Kien. At 221420H the CRIP ele concluded joint opn with ARVN resulting in 1 VC (BC), 1 AK-50 and 1 82mm mortar, assorted web gear and a small amount of documents. At 220745H vic XS660649 the ARVN ele working with A/2-60 reported receiving fire from the woodline. At 220845H Co B was lifted from Rach Kien and inserted vic XS664654 to develop contact reported by ARVN ele. An air-strike was put into suspected enemy position and a sweep made of the area. The ARVN ele found 3 VC (BC) and 1 AK-47. At 221115H Co C was lifted from Rach Kien and inserted vic XS648622. At 221230H Co A was extracted from XS658648 and inserted vic XS684617 at 221231H. R ele was lifted from Tan Tru and inserted vic XS675627. At 221410H Co B was extracted from XS656648 and inserted at XS708607. At 221445H vic XS683622 Co A found 1 82mm mortar. At 221604H R ele was extracted from XS684624 and returned to Tan Tru. At 221615H Co C was extracted from XS-604620 and returned to Tan Tru. At 221642H Co B was extracted from XS712595 and inserted vic XS502652. (5-60 delayed entry: At 211959H Co B on the Ben Luc bridge reported 4 incoming 60mm mortars. Neg casualties or damage. From 212251H to 212310H Co B reported sporadic mortar fire around the Ben Luc bridge. Counter mortar was fired and at XS604793 a secondary explosion was sighted at 212340H. There was no damage to the bridge area.) At 221006H vic XS489572 Co B found a road block which they removed. A/3-17 Cav Trp continued armed aerial reconnaissance in support of the 1st Bde with priority to the 2-60 AML opn.

SUBJECT: Combat Operations After Action Report (MACV/RCS/J3/J2)

23 August: The 1st Bde conducted opns with 2 Inf Bn's (2-39, 2-60), 1 Mech Bn (5-60) and 1 Air Cav Trp (A/3-17). (2-39 delayed entry: At 221735H vic XS-731675 an AP from Co A spotted 1 VC and fired on him with organic weapons with neg results. At 221945H vic XS762713 another AP from Co A had 5 VC KIA by arty and 1 VC KIA by mortar fire. At 222356H vic XS766700 Co A had 1 US WHA hit in chest by a sniper. (Dust off completed 230050H.) At 230235H Rach Kien received 8 82mm mortar rds with neg US casualties or damage. Direction of fire was from east and southeast. Four VN (2 children, 2 women) were injured and dusted off at 230355H. At 230322H Rach Kien received an additional 8 rds of 82mm with negative casualties or damage. Co A AP noted mortar position vic XS725682 and counter mortar fire was delivered; unk results. At 230725H vic XS814722 Recon plat found 1 VC KIA (BC) by arty. At 230839H Co B was lifted from Rach Kien and inserted at 230844H vic XS655731. At 231117H Co C was lifted from Rach Kien and inserted at 231125H vic XS815741. At 231153H Co B was lifted from vic XS663732 and inserted vic XS823760. At 231343H Co C was lifted from vic XS802762. At 231410H Co B was lifted from vic XS818773 and inserted at 231417H vic XS794740. At 231525H vic XS797746 Co B received SA fire. Result was 1 US WHA. WHA was dusted off. At 231625H Co B vic XS798743 had 2 VC KIA (BC) in bunkers. At 231635H Co B vic XS798743 had 1 additional VC KIA (BC) and 1 AK47. At 231700H Co B vic XS799746 had 1 wounded detainee and 1 AK-47. At 231715H Co C was lifted from vic XS808754 and inserted at 231725H vic XS690714. At 231740H Co B vic XS798742 found 13 75mm recoiless rifle rds. At 231810H 1st Bde CO noticed ambush of several vehicles of 3d Bde vic XS758722. At 231841H Co C was extracted vic XS690714 and inserted at 231903H vic XS756718 on a hot LZ. At 231855H Co A departed Rach Kien by vehicle to area of ambush. At 231935H Co B was lifted from vic XS796743 and returned to Rach Kien. At close of this report Co A and Co C were sweeping area of ambush. (2-60 delayed entry: At 221731H Co A was lifted from vic XS673611 and returned to Tan Tru. At 221810H vic XS492658 Co B had 1 ARVN interpreter WHA by booby trap. Dust off completed at 221814H. At 221837H Recon plat was lifted from Tan Tru and inserted at 221846H vic XS587662. At 221855H Co B was extracted from vic XS494647 and returned to Tan Tru.) On 23 August 2-60 stood down for maintenance and made preparations for future opns. Road sweeps and local security opns were conducted. Prepared to reinforce 2-39 if needed. 5-60 conducted road sweep, bridge and convoy security opns and local security missions without incident. A Trp continued armed aerial reconnaissance in support of the 1st Bde with priority to the 2-39 aml RIF opn. At 231555H vic XS797745 A Trp had 3 VC KIA (BC). At 231700H vic XS799746 A Trp had 1 VC KIA (BC).

24 August: The 1st Bde conducted opns with 2 Inf Bn's (2-39, 2-60), 1 Mech Bn (5-60) and 1 Air Cav Trp (A/3-17). (2-39 delayed entry: At 232040H vic XS-759717 Co C found 5 VC KIA (BC) by A/3-17 gunships. At 232052H vic XS765720 Co C found 2 VC KIA (BC) by A/3-17 gunships. At 232129H Co's A and C closed at Rach Kien. At 232240H Rach Kien received 2 rds of 60mm mortar fire. Negative casualties or damage.) At 240850H the 2-39 CP at Rach Kien received 1 rd of 107mm rocket fire from the northwest of Rach Kien. Neg casualties or damage. The 2-39 elements conducted local security patrolling, maintenance, and stood down during the day. (2-60 delayed entry: At 232230H the 2-60 CP at Tan Tru received 1 unk type rd of mortar fire outside the perimeter. Neg casualties or damage.) At 240715H and 240723H 5 sorties each of Co A were lifted from Tan Tru and inserted at 240725 and 240745H vic XS430650 and XS420660 respectively, to conduct RIF opns in the areas. At 240745H 4 sorties of Co A were lifted from Tan Tru and inserted at 240800H vic XS430650. At 240925H and 240952H Co C was lifted from Tan Tru and inserted at 240947H and 240955H vic XS649668 to conduct an RIF opn in the area. At 241045H 5 sorties of Co A were extracted from vic XS435652 and reinserted at 241135H vic XS686593. At 241200H 8 sorties of Co A were extracted from vic XS426666 and reinserted at 241220H vic XS686594. At 241252 and 241320H Co C was extracted from vic XS642663 and reinserted at 241314H and 241333H vic XS754563. At 241500H vic XS760550 C36 ele picked up 1 detainee. At 241600H 8 sorties of Co A were extracted from vic XS686594 and reinserted at 241615H vic XS638656.
