

ARNDT

Major Alden has turned in an
totally outstanding performance as the S-3 of
the division's largest and most powerful
combat battalion. He was a key figure in
the planning and operation of combined arm
live fire exercise for every ground maneuver
battalion in the division. He provided outstanding
training, perfect and enhanced combat readiness
for the entire division and was executed
with zero ~~incidents~~ training accidents.
An outstanding salaryman for combat
aviation employment who has reported
the strong relationship and mutual understanding
between ground and air maneuver units.
Personnel in limited potential, ~~as~~ accomplished
all mission with pride. Major Alden is already
designated as a future ^{aviation} company commander, assigned to
C & S level school as a complete of command. He
and his wife have made significant contribution
to the Army community life at Ansbach Army.
