Hi Mike,

I would appreciate seeing the pictures from Mt Scott. The Wildlife Refuge is one of my favorite places. I used to walk up and down the mountain for exercise when I lived there.

Do you know where I can get a copy of the Sectional map of IV corp in RVN? I always used a 1-500,000 map because the tac maps were too small for me to use traveling from Vinh Long to the AO in the 'I mountains area. I have a Sectional that covers III corp area.

Thank you.
