Residence  
Office

OBJECTIVE: Executive Management/Chief Executive Officer where my ten years of senior level management coupled with 25 years of operational experience in organizational development and planning, fiscal management, and training will ensure organizational profitability.

EXECUTIVE MANAGEMENT: Chief Executive Officer responsible for developing and managing requirements and resources for more than 60 countries that receive appropriated loan and grant funds. Program, budget, and execute \$3 to \$4 Billion annual Foreign Military Financing program, \$42 Million annual International Military Education and Training program for 121 countries, and \$300 Million annual budget. Responsible for manpower, funding, and policy for the worldwide security assistance organizations in more than 70 countries.

FINANCIAL MANAGEMENT: Chief Executive Officer responsible for allocating or approving disbursements to competing programs. Responsible for the management of cases valued at \$197 Billion. Executed annual budgets ranging from \$300 to \$600 Million. Enforced adequate internal controls systems to ensure resources were efficiently and effectively managed.

TRAINING MANAGEMENT: Masters Degree in Human Resource Development from George Washington University concentrating on Organizational Development and Personnel Training and Development. Responsible for training more than 22,000 apprentices and journeymen. Responsible for coordinating training for 4,000 to 6,000 international students per year.

LEGISLATIVE LIAISON: Maintained frequent contact with Congressmen and Senators. Provided information briefings and position papers, which resulted in a mutually beneficial relationship.

INTERNATIONAL EXPERIENCE: Personally evacuated President Marcos and family from the Philippines at the height of the revolution in 1986. Visited more than 60 countries in the last two and one half years, meeting with Ministers of Defense and the key leadership of their armed forces. Maintain a global perspective relating to Foreign Policy and National Security Objectives. Focus on coordination of training students from 121 countries. Manage programs that assist more than 124 countries to modernize and professionalize their armed forces.
