Hi, Mike--

Good thing you called; I had almost forgotten about this! I have not forgotten about the photos; but I have spent the last two weeks trying to get the courage to spend \$1500 for a computer. Bought it Saturday, so should be able to get on the photos soon.

Thanks again for the tape. Hope this packet proves useful. It was really amazing...as I was making the copy, I glanced through it. You remembered a lot more than you thought you did!!!

Let me know what you think.
John
