SUBJECT: POSSESSION OF HANDGUNS

TO: All Retirees

Personnel being transitioned from the Army will be advised that some States prohibit the possession of handguns, unless existing State and local requirements are complied with, and that they are subject to arrest by civilian law enforcement officials if a handgun is detected in their possession without clear evidence of the proper permit. Personnel will further be advised to contact local police authorities in the area they desire to reside in, including those States which they must travel enroute, for appropriate guidance regarding gun laws.
