1. I take this opportunity to extend my congratulations for your outstanding performance on the April 1983 Army Physical Readiness Test.
2. Your attainment of the maximum scores in each of the events (pushups, situps, and two-mile run) is indicative of your personal pride, competitive spirit and professionalism.
3. Only 50 (9%) of the 568 individuals tested attained all maximum scores. This fact makes your accomplishments one of which you can be justly proud.
4. Again, congratulations on your outstanding achievement.
5. A copy of this correspondence will be placed in your Official Military Personnel File.
