Dear Major Sloniker,

The students and staff of Newsome Park Middle School would like to thank you for your participation in the Career Fair. Students were able to explore different occupations and gain valuable information in the career decision making process. Students are beginning to take a more serious look at what they will be doing after high school and are more aware of the many different job opportunities that might be available to them.

We sincerely appreciate the time that you have taken with students to further their understanding and knowledge of the world of work. Hopefully this will lead students into making wise and realistic decisions concerning their career.

Thank you again for making the Career Fair a successful experience.

Very truly yours,
