1992 DIRECTORY

What is the Kingsmen Reunion Association?

The Kingsmen Reunion Association was founded in November, 1987 by Joe Kline. It is a fraternal, non-political organization formed with the intent to do the following:

1. Renew friendships and share experiences.
2. Collect material and data on our unit and it's activities to build a historical record for the benefit of our members and other interested parties.
3. To promote the accomplishments and role of the Kingsmen and other Army Aviation units in the Vietnam War.

Membership

The Association is still relatively young and as such is still quite informal. The term "Kingsmen" was a call sign used by two helicopter units during the Vietnam War, the 17th Assault Helicopter Company in late 67 and early 68, followed by B Company, 101st Aviation Battalion thru early 1972. Any veteran of either of these two units are welcome as regular members. In our search for Kingsmen we have also found former members of other aviation units who have expressed interest in what we are doing, and have been very helpful in locating former Kingsmen. They are fully welcome and will be included in all correspondence and activities.

Dues

Due to the informal nature of the Association at this point, we will operate on a donation basis as in the past. So far it has been paying the bills, thanks to all of you who have contributed. As always donations are encouraged. Sales of paintings, videos etc. also help to defray expenses.

Association Structure

Everyone has an equal voice and any comments, suggestions, etc. should be sent to Joe Kline for inclusion in our quarterly newsletter. As time progresses, there may be a need, legal and otherwise, for a formal structure for tax and other purposes, however we have not reached that point yet. Member input for the newsletter is highly encouraged. All photos submitted will be copied, and your originals will be returned.

Reunions

For the foreseeable future, annual reunions will be held in conjunction with the annual reunions of the 101st Airborne Division Association. This greatly minimizes organizational work on our part. The 1992 Reunion will be held on August 20-22, in Colorado Springs, Colorado.

Directory/Newsletters

All attempts have been made to make the directory as accurate as possible. If any corrections or changes are desired, please contact Joe Kline with the appropriate information. Newsletters will be published on a quarterly basis, and will consist primarily of correspondence, photos and other items of interest sent in by the membership.
