CHORUS:

We're the flyboys of the Army
 Not the Air Force
 Not the Navy
 But the A-R-M-Y Army.

Tho our planes are small it's true,
 Name the job, we shout, "can do!"

We lay the wire, spot artillery fire,
 Map the terrain, while flying the plane;
 We're the men of zest,
 Fighting with the rest,
 We're the flying men ABOVE THE BEST.

INTERLUDE:

We can't fly the Pacific
 But we are terrific
 And frankly the Atlantic

Leaves us frantic

But we'll land anywhere, anyplace, anytime;
 Put that stick in our hand, watch us climb.

REPEAT CHORUS
