2	1300		<p>I was notified by SGT Bridges of the hospital registrar that a Mr. Petitt a civilian patient on Ward 5, had expired and there were circumstances surrounding notification of the next of kin his wife, which should be considered. Upon investigation, I was informed by CFT Margarethe Hawken, Ward 5 Head Nurse, that upon Mrs Petitts visit to her husband that same day she had told a Mr Stephens, a civilian worker of PA&E who accompanied her, that if Mr Petitt died she would kill herself and her four children. Due to Army regulations regarding notification of next of kin, I via phone talk with SCT Joe White of USARV casualty branch, informing him of the entire state of events. I suggested that Mr. Stephens be contacted in order to preclude Mrs Petitt from taking several lives. He stated he would contact MACV and familiarize them with the conditions and take care of the notification. I then communicated the situation to MAJ G.D. All-</p>
