FROM Major Powell
24th Evac Hosp
APO 96491

DATE 31 Oct 69 CMT 1

1. On this date while on MEDCAP mission to three bursts of rifle fire occurred in close proximity to the medical treatment facility.
2. The incident was rapidly investigated by Captain Jones, Security Force Commander, and he gave me the following report:

Firing was from allegedly inebriated Popular Force troops who were reportedly shooting over the head of an unidentified photographer.
3. At Captain Jones suggestion the MEDCAP mission was terminated early after ministering to the emergent cases.
4. No casualties were incurred.
5. Recommend:
 - a. Only personnel essential to MEDCAP mission be permitted to go on MEDCAP.
 - b. Personnel on MEDCAP should not leave the area of the treatment facility without the knowledge and permission of the senior medical officer and commander of security forces.
