Dear Dr. Fishel,

Mr. Jonas has communicated to me transcripts of your radio interviews in New York on March 6 (WNTA) and March 7 (WMCA), as well as your UPI interview on March 13.

I am writing to let you know that we are very appreciative of your continued efforts to promote a better understanding of Vietnamese problems in the United States.

With your intimate knowledge of the situation in Viet Nam and in Southeast Asia, I think that you have contributed greatly in bringing the attention of the American public to the stakes involved in a very sensitive area at a critical time.

With best wishes,

Sincerely yours,
