MICHIGAN STATE UNIVERSITY  
East Lansing

Vietnam Project . Office of Coordinator

February 15, 1957

To: Viet Nam Participants

From: Dr. Richard McCleery

In order to make our planning more effect in the future, please answer the following questions on this form. Return it with the answers to Mr. McCleery's box in Morrill Hall or bring it to the meeting in Giltner Hall Monday afternoon.

A. Please list below, in the order of their importance for you and your government, the courses you have taken so far at Michigan State.

1. Econ. 350 (Theory of Econ. Growth)
2. " 318 (Econ. of Money + Banking)
3. " 321 (Bank Operations)
4. " 428 (International Economics + Public utility)
5. Pol. Sc. 313 (Budgeting)
6. Public Administration

equally important

B. Please list two courses by title or subject matter which would be of the greatest value to you and your government if they were in the Spring. (List the two subjects even though the courses may not be actually mentioned in the catalogue or announced for the Spring term.)

1. Current Economic problems in the Far East
2. ~~Business~~ Accounting

C. List the major activities in addition to class work (things like drama, International Club, athletics, etc.) which you have attended or taken part in during your stay. Then rate each activity (good, fair, poor, or useless) in terms of its value to you and to your government. For example:

1. Tour of MSU farm - fair
2. Xmas ~~two~~ <sup>two</sup> - good
3. Tour of ~~old~~ <sup>old</sup> mobile plan - good
4. Lecture - Concert series - good
5. informal meetings - good

D. This section presents two statements. Read each statement and then check any of the terms in the following list which completes the statement accurately.

1. In general, my course work here has been -

- a. dull and impractical.
- b. too difficult to understand.
- c. interesting and pleasant.
- d. valuable to me individually
- e. useful to me and to my government.

1. X

2. In general, the most useful and practical experience which I have gained in America has come from -

- + a. classroom work.
- b. seminars and special discussion groups.
- c. informal discussions in the dormitories.
- d. events other than classes which take place in campus.
- + e. the trip to the eastern part of the country.
- f. just the experience of living here in the country.
- g. other. Discussions with different persons

- Observations around me
