Dear Ky:

Since the administrative procedure involved in requesting an extension of stay has tended to be rather time consuming, I would like to suggest that you make your application for extension of stay by the end of August.

We would also appreciate receiving a transcript of your last semester's grades.

Sincerely yours,

Elsie Cunningham  
Participant Director

Dear Ky:

Please find enclosed your per diem check for the period from July 1-15. Receipts should be submitted for books purchased with advance.

If the weather continues the way it is today, you shall have no need for air conditioning during this Michigan summer. I do not expect to be here during our hottest month as I shall leave for a new position at Indiana University at the end of July.

In spite of all the last minute problems the wedding went off as scheduled. Poor Barbara was more than a little distressed as she did not receive word back from the post office that the package had been delivered until yesterday. Actually I had already seen the wedding announcement so guessed that it was only the problem of slow mail.

I do not believe there will be any difficulty in arranging for both you and Phat to attend the American Political Science Association convention in New York.

Sincerely yours,

Miss Eloie Cunningham  
Participant Director  
Vietnam Project,

Dear Eloie:

I was surprised to hear that you'll quit Vietnam Project at the end of next month.

I know that you were longing for another job but I didn't expect you'll leave so soon.

I've have called Miss Kim Chan up and she confirmed that you'll leave for a new position at Indiana University, working on "Indonesia Project".

I am sorry to hear that you are moving and that you will no longer be with us. All Vietnamese participants know how much of your time and effort are cheerfully given to the Project and that the Project has been greatly enriched by your devotion.

Since it's in your interest to move to another position, I wish you the very best of luck in Indiana.

I hope you can come to Ann Arbor any day; I'll enjoy seeing you. It's pleasant to drive in such a fine weather and have a good dinner at Leo Ping - for a change. I wish very much you would!

As to the trip to New York, would you please arrange that on my way to New York to attend the American Political Science Assoc. convention, I'll have a stop <sup>over</sup> at Boston for few days to visit Harvard University and see that, and on our way back, we could stop over at Washington to visit the Library of Congress where I hope I can find some documents I am looking for.

I have no class after August 12, so I can leave Ann Arbor any day after that date.

Sincerely yours  
George N. H. Ky

P.S. I am taking only one course in the summer session: "~~the Diplomatic History~~" "European Diplomatic History since 1933."

Prof. Ehrmann  
This is my cognate field towards my Prelim.  
I've ordered 2 books but I don't get them yet. I'll send you receipts as soon as I get the books.

Dear Ky:

Please find enclosed your per diem check for the period from July 15-31.

I did enjoy myself thoroughly on Tuesday and want to thank you for a very pleasant day. As you might imagine, the convention was still on T.V. when I reached home about 11. It is just as well that the long nominating session was not until last night. I was not very anxious to get up this morning after watching the convention until after 2 am this morning. I must admit reluctantly that I think that Kennedy has the best chance of any of the candidates to win the election although like many other people I'll probably be voting for the lesser of two evils rather than for a positive good.

Sincerely yours,

Elsie Cunningham

Dear Elsie,

Since I am leaving on August 12, it would be very much appreciated if you would arrange that I could get my per diem check before that date.

And if possible, I'd be very happy if I could get my per diem in advance of the whole month (Aug. 15 to Sept. 15), while I am away.

I am looking forward to see you before you leave -

Sincerely yours

Dear Ky:

Please find enclosed your per diem check for the period August 1 to August 15. You will note that we have included the \$4. per day from August 12.

The date of my departure is still indefinite but I do expect to make an apartment hunting trip to Bloomington shortly. It is rather hard to imagine that the end is in sight.

It may be that I shall have an unexpected vacation and in this case don't be surprised if I turn up in Ann Arbor again before the 12th.

Sincerely yours,

Elsie Cunningham

Dear Ky:

I have suggested to Nancy that it might be more valuable to have all of the September per diem on one check since this is the month with the most expenses. This means that rather than sending you a check to cover the period from August 15 to September 15 at your Ann Arbor address you would receive a check for the period from September 1 to 30 in Cambridge while you are visiting Phat. I presume that you may have greater expenses after you leave Boston than during your visit there.

I'm off to Bloomington on Monday to try and secure an air-conditioned apartment @ the temperature there being much warmer and stickier than East Lansing this seems to be more necessary. We are still quite comfortable with our cool front porch and minimum amount of sun.

Sincerely yours,

Elsie Cunningham

Dear Ky,

I just arrived back from Bloomington last evening (still no apartment but someone else has taken over this worry) to find that Nancy had left. In order to be sure that we have taken care of this I am writing to remind you of the need to apply for an extension on your arrete - in talking to Khanh at the Embassy today he mentioned that he was not sure whether or not this request had been received yet and processed through the Embassy channels.

I'm off now to make my farewell public appearance at a tea for the visiting delegation of Vietnamese Assemblymen and Women too.

Sincerely yours,

Elsie Cunningham
