Sheriff Peter J. Pitchess
Los Angeles County
Los Angeles, California

Dear Sheriff Pitchess:

Mr. Gilbert contacted Captain Charles Taylor while attending the Annual Conference of the Associate Police Communication Officers Incorporated. At that time he explained that we were particularly interested in having Lt. Liem concentrate on the operational phase of the communication system. Tentative arrangements were also discussed for Lt. Liem to visit some sub-stations of the State Police.

The Police Radio Communication will be modernized and expanded during the next few years in Vietnam and Lt. Liem will have a big responsibility in the development of the communication program.

If it is convenient, we would like to suggest that Lt. Liem visit your organization from October 26 to November 6, 1959.

For your information I am sending a copy of Lt. Liem's bio-data sheet.

We certainly appreciate your cooperation in making Lt. Liem's visit in the United States an instructive one.

Sincerely yours,

Frank D. Day
