Dear Quynh:

According to the minutes of the meeting held at the N.I.A. concerning the Ph.D. program, responsibility for maintaining regular contact with the Ph.D. participants was assigned to you and Professor Hach. A special note was made of a request that you visit all the Ph.D. candidates now in the United States to report on their progress to the Institute and reassure them in their work.

Therefore, I have asked College Travel to arrange an issue wire to cover the additional expense involved in a stopover in Lansing enroute from Toronto to Chicago. The easiest way to accomplish this would be to fly from Toronto to Cleveland and Cleveland to Lansing. I would like to suggest that you plan to be in Lansing on August 27th if this is agreeable to you. Please let me know in advance so that I can arrange for Mr. Luong Nhi Ky to come from Ann Arbor in time for this meeting.

Sincerely yours,

Elsie Cunningham

Dear Miss Elsie,

Thank you for the check.
 Really it came in very
 handy.

I met ~~Bob~~ Than and
 Miss Do last week. I am
 expecting to see Cho Toan
 and Mrs. Bach Lan this
 week-end.

About my program I
 enjoyed my visits here
 very much, and get a
 lot of precious materials
 for my work, from the
 U. N. as well as from
 the Columbia University and
 the Youth Board.

I am planning to have a
 cholera shot here and
 clear with the International
 Revenue Bureau at Los Angeles.

Did you get an official approval for my visit stay in Tokio? Please let me know. It seems to me that it is dealing with my to the covering of my expenses there.

I wonder if you could tell me whether or not I shall receive a per diem check for the period starting Sept. 15 (From Honolulu to Saigon).

Secondly, my stay in Canada and California being short, I think the best way to reach me is to use the addresses of those I have to meet, as mine. For example, starting Aug 19: Canada: % Chas James P. Neatby 149 College street to Aug 28. Toronto 28, Ontario, Canada

I shall be most happy
 to return to Lansing
 before leaving this country.

I will get the opportunity
 to see you again and
 appreciate your hospitality.

and your kindness.

I agree with you

Please ask Travel ^{my tickets}

Cleveland.

The meeting would take
place Friday Aug 28th

I shall leave Lansing

city Saturday Aug 29th.

Please let me know

I learn through your

Dear Miss Elsie

About my stop over in Lansing
I have suggested August 28th
for the meeting.

But now I look up in
my flight schedule and
find that it would be
better for me to have
the meeting organized
Thursday Aug. 27th in the
afternoon.

I will try to be in Lansing
Wednesday night (Aug 26th)
or Thursday in the morning
(It depends on the flights
available that day)

Under these conditions I
have only to shorten my
stay in Canada not to
change my ^{flight} schedule for

TELEPHONE PHENIX AVENUE 6-1500

Salt Lake City starting
Aug 28th ~~return~~

Reservation has been
made for the flight
U.S. 633 leaving Chicago
Aug 28th at 11:00 am.

I hope to get your
agreement

Will see you soon.

Very truly yours.

Dear Quynh:

I am sorry that my letter of the 12th was not clear to you. Pan American Airlines already has this issue wire and should contact you at your place of residence. There will be no additional ticket as such sent from College Travel as the additional fare required for this trip is covered in the issue wire.

I am sorry if I confused you by mentioning Professor Hach's joint responsibility with you regarding the role of keeping in touch with the Ph.D. participants. He is still in Saigon and the responsibility for personal meetings with the participants is yours. Presumably, future correspondence, etc., will be the joint responsibility of you and Professor Hach.

Please find enclosed a letter which arrived here for you this morning.

Sincerely yours,

Elsie Cunningham

Dear Quynh:

After the letter was already in the mail, I realized that I had neglected to answer your all important question about the per diem for your trip and your Tokyo stopover. ICA has approved the per diem for your official time in Tokyo. There is no per diem for any time spent in travel once you leave the U.S.

Sincerely yours,

Elsie Cunningham
