Dear Miss Cunningham,

I did not write to  
you for a long time already  
I hope that you under-  
stand how busy I am  
now? How are you  
and my Vietnamese friends  
in East Lansing?

Dear Miss Cunningham  
I don't know that  
you received my letter  
concerning the per diem

(2)  
that I have received from MSU  
before I left the United  
States. I am also so sorry  
that you had to send  
the letter from Columbia  
Record Club asking me  
for payment of records.  
I did settle everything  
with before I left  
and I did transfer  
my Subscription right  
to my friend Nguyet  
already. And I did write  
to them about that many  
times ~~so~~ ~~in~~ ~~the~~

(3)

I am really sorry that  
they have made much  
trouble to you.

I believe that  
this letter will  
reach you by Christmas  
so may I wish you  
a Merry Christmas  
and Happy New Year

Sincerely yours,

Dear Kim Sa:

Please find enclosed the most recent statement from Columbia Records. Perhaps if you wrote to them indicating your lack of dollar resources from which to pay this bill, they would close the account and cease to send these dunning letters.

Although I do not know the exact date, I suppose that Ti will be returning from the University of the Philippines shortly. Perhaps a few of the M.S.U. participants will be returning to the N.I.A. shortly. At least it is our understanding that Mr. Bui Quang Khanh, who leaves next week, and Mr. Vu Quang Van, who will graduate at the end of this quarter, are expected to join the staff of the N.I.A.

Sincerely yours,

Dear Dr. Austin

I think that you are very anxious to hear from me But I would like to wait until everything is finally settled before I write to you.

As you know I left Saigon on Sept 15 and after a 2-day long trip I arrived in Bloomington at 6PM on Sept 17 as scheduled, just in time for the registration.

As soon as I arrived here, Miss Cunningham helped me in securing housing... Now I live at Hickory Hall, one of the halls in Graduate Residence Center. This dormitory is quite far from the places where my classes are taken it takes me about 20 minutes to walk, and we live in this hall but eat in another hall which is far from my living place too. Therefore, I hope that I'll be able to move to another place which is nearer to my classes next semester.

I think that you are, now, anxious to know what courses I am taking this semester. Here they are:

- American government
- World Politics
- Public administration
- English composition, Advanced - Research papers -
- English literature
- Political Science is my major.

I discussed with Dr. Chapman, our advisor, about my entire program here. He anticipated that I'll be able to complete my B.S. in June 1962. without using any of my library science credits taken at Western Reserve University, Cleveland and at University of Wisconsin.

After that, I'll be able to go on working for my master degree in library sciences if opportunity permits.

But it's too early to discuss about this now.

I just received a check of \$180 from you through the kindness of Miss Cunningham and before I left Saigon I had received another check of \$100 from MSUG Saigon. That makes up  $\$280 = \$180 + \$100$ ; but I don't know for how many days I'm supposed to receive that per diem; from what date to what date?

As Mr. Archon of MSUGS requested, I am sending herewith my travel itinerary, ticket coupons for both transportation and excess baggage.

Dear Dr. Austin, I'm sorry that I came here late so that I could not have time to stop at Michigan to meet you.

May I close here.

Miss Cunningham says Hello to you.

Sincerely yours,

Quinta
