## II. RECOMMENDATION CONCERNING ENROLLMENT IN

English as a Foreign Language (Improvement Service 090)  
 Foreign Student Section of Communication Skills 111  
 Foreign Student Section of Communication Skills 112

The student need not enroll in any of these, being sufficiently competent in English.

The student should be encouraged to enroll for the course indicated on a voluntary basis.

It is essential that the student enroll in the course indicated.

The student is so deficient in English that intensive language training (as offered at the English Language Institute, University of Michigan) should precede enrollment at M.S.U.

## III. RECOMMENDATIONS CONCERNING STUDY PROGRAM:

The student may be permitted to enroll for a normal study program.

The student should carry a limited program of courses.

The student should enroll as a visitor only.
