

San Francisco 22, 59.

Dear Elsie,

Please find enclosed the reports about my visits in Ottawa, Toronto, Chicago, Los Angeles and Sacramento. You will receive in time the other ^{ones}, which would also be the latest.

I arrived at 2.00 P.M. in San Francisco. As I told you yesterday I have now more confidence because I know that my plane ticket for Saigon is not lost. On the other hand, your check arrived in time and dispersed my anxiety: I was in the red yesterday.

Here is my address. Please use it now for my mail.

Sincerely yours

Dear Elsie,

Today, I receive a letter from Miss Chan with a copy of that you sent ^{to} me last week, to Los Angeles, Sept 11, 59.

I hope that they would forward your letter here. I am really anxious about my plane ticket, from San Francisco to Saigon.

I do not know whether you had also sent it to Los Angeles. A loss of ~~that~~ letter, I mean both the plane ticket and the per diem check (from Sept 15 to Sept 30) would be catastrophic.

Next Tuesday, Sept 22, my visit program here would be performed. Having nothing more to do here, I plan to leave for San Francisco next Tuesday afternoon.

So, please, write to me to San Francisco under the care of Mrs Charles E. Adams.

I thank you for giving me a "certain" hope about the refund in piastres, in Saigon.

But what I really need is the
refund in dollars of the sum I spent
for that "wicked" ~~travel~~ Chicago-Los Angeles
travel. I am wondering now how
I can manage during the long trip
ahead ? !

By the way, I will send all the
reports you want before I leave ~~Sacra~~
~~ment~~ ~~San~~ Sacramento. And before I board
the plane for Saigon, you will receive
all other reports about my visit
at San Francisco Civil Service and the
Conference on Personnel Management.

Sincerely yours
