Dear Miss Elsie, Det 8 1/2 + 138

Hoping that your vacations in South America
were much enjoyed and wonderful trip.

Today I asked Mr. Coban calling you because
I didn't receive as usual as notice from Post
office - I was thinking that it might be delayed
by the weather and I didn't believe that you
forgot to send me the check before the 25th
of each month, that is true. Mr. Coban phoned
again to Post office and from there, I knew
that my check has been come since 29 Feb.

they had notified to campus mail office,
it might be lost somewhere my notice -

But the main thing is I have got my check
for the period from 1- to 15 March, but I
didn't find out my per diem for the trip to
Kansas City since last month. It might be

you didn't receive a copy from Mr. Coban,
so I send you here enclosed a copy for infor-
mation in which I didn't find your name.
thank you for the check, and hoping to
receive all my per diem for the trip to
Kansas City plus the one to Cincinnati.

The last is not so nice for the weather
is too cold -

With my best regards
Bordio

Dear Do:

I am sorry that we overlooked your trips to Kansas City and Cincinnati, but the schedule information usually arrives just the week before and may from time to time be omitted in our calculation of your per diem. Please do not hesitate to bring this to our attention. We will add the additional \$4.00 per day for these field trips to your next per diem check.

I understand from Chau that she very much enjoyed her visit to Indiana and the opportunity of meeting and talking to you. I hope that I may be able to get to Indiana sometime after Dr. Austin returns from Vietnam.

Sincerely yours,

Elsie Cunningham

Dear Do:

The Vietnam Project moved today in the midst of a raging blizzard. The truckloads of furniture, equipment and what-have-you have been unloaded and everyone else but us is currently trying to find out where those things they packed yesterday are today. Luckily, Nancy and I were on the first floor so our things were moved first and with the least amount of confusion.

Except for the noisy typewriter in the next office, all is "peaceful and serene."

Please find enclosed your per diem check for the period from April 1st through the 15th. This check includes \$4.00 additional per day for the time you spent in Kansas City and Cincinnati.

Also enclosed is a carbon of the letter I have sent to Mr. Cobun concerning your request to come to East Lansing. I have discussed this matter with Dr. Austin and we would be very pleased to have you here for a long weekend (Saturday, Sunday and Monday). If you can indicate when would be the best time, I shall arrange for the necessary tickets to be sent to you. I presume that you would still prefer to travel by bus rather than by plane. We look forward to having you on campus.

Sincerely yours,

Elsie Cunningham
