Preface

This is a list of periodical holdings in the Library of the Graduate School of Business and Public Administration. It includes serial publications which have been published semi-annually or more frequently. Serials which are analyzed in the Card Catalog are not listed; e.g., National Bureau of Economic Research, Fiscal Studies, American Management Association, Research Report, and National Industrial Conference Board, Studies in Business Economics.

Additions to this list will be noted in the B.P.A. Library's Selected Recent Acquisitions, which is issued monthly during the academic year.

Library holdings are indicated after the title. "Current issues only" indicates that the Library does not have a bound file of the periodical. "1955-date" indicates that the Library has a file beginning in 1955 and continuing up to the present date.

Additional copies may be requested from the B.P.A. Library.
