International Cooperation Administration

Dear Mr. Waln:

I am returning herewith the Transportation Request which was delivered on Saturday morning for Mr. Binamira.

I have spoken with Mr. Binamira on Friday afternoon and realize that his arrival late Sunday afternoon after a very strenuous trip in Tennessee would hardly leave him in a condition to travel to the Upper Peninsula and back within the short space allowed on Monday and Tuesday. Therefore, I cancelled his trip and made other arrangements here on campus.

I certainly appreciate the promptness with which you arranged for me to receive this travel request and also the promptness with which you have acted on various other organizations in providing me with the tickets.

Sincerely yours,

Elsie Cunningham
Administrative Assistant
