The topographic map displays the study area with elevation contours. The legend indicates three elevation levels: HIGH (dark grey), MEDIUM (medium grey), and LOW (white). The map shows a river flowing through the area, with various elevation points marked, including 510, 513, 698, 385, 630, 484, 6238, 5, 23, and 1.

The map shows the province of Trung Phạn (Quảng Ngãi) with its administrative boundaries. Neighboring areas include Quận Nghĩa Hành to the north, Quận Mộ Đức to the east, Quận Đức Phổ to the south, and Quận Mộ Loang to the west. The South China Sea is to the east. A legend at the bottom explains the symbols used for administrative levels.

THAI NAME	ENGLISH	COMPARABLE U.S. UNIT
..... Khu or Tỉnh	Province	State
..... Quận	District	County
