

L509
Edition 2-AMS (First Printing: 10-62)
Prepared by the Army Map Service (AM), Corps of Engineers, U. S. Army, Washington, D. C. Compiled in 1954 by photogrammetric methods and from: Carte de l'Indochine, 1:100,000, Service Géographique de l'Indochine, 1950-52; Carte Routière de l'Indochine, 1:400,000, Institut Géographique National, Sheets 15, 16, 1950. Planimetric detail partially revised by photogrammetric methods. Roads and railroad data should be referred to with caution. Reliability of vegetation information is undetermined. Names for symbolized populated places are omitted where information is not available or where density of detail does not permit their inclusion. Revised from late data sources by AM, 1962.

THE DELINEATION OF INTERNATIONAL BOUNDARIES ON THIS MAP MUST NOT BE CONSIDERED AUTHORITY

Figures in red denote approximate distances in kilometers between stars
Les chiffres en rouge entre les étoiles indiquent les distances approximatives en kilomètres
