

[illegible][illegible]

The diagram illustrates the experimental setup for measuring the average distance of the center of mass of a body. It shows a horizontal beam with a central pivot point. A weight is suspended from the beam at a distance 'x' from the pivot. The beam is supported by a stand. The diagram is labeled with 'ĐIỂM ĐO LƯỜNG' (Measurement Point) and 'ĐIỂM ĐO LƯỜNG' (Measurement Point).
