Figure 1. Map of the study area. The map shows the location of the study area in the north of Hanoi, Vietnam. The map includes a scale bar (0 to 10 km), a north arrow, and a legend. The legend indicates the study area (shaded area), the road network, and the administrative boundaries. The map shows the study area is located in the north of Hanoi, near the border with China. The map also shows the location of the study area in the context of the surrounding regions.
