

Scale 1:50,000
Echelle 1:50,000

CONTOUR INTERVAL - 25 METERS

EQUIDISTANCE DES COURBES - 25 MÈTRES

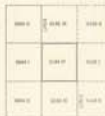

Chart contour indicates 25m or more at ground level is represented under a dense cover. (See contour indication 25m in 175)
of ground level is represented under a dense cover. (See contour indication 25m in 175)
Dense de végétation dense indique végétation dense et dense couverte à cet effet de 25m. (Dense de végétation
dense indique végétation dense et dense couverte à cet effet de 25m.)
