SUBJ: (C) Directive, Political Section, 272nd Regiment, 9th VC Division

(C) (3 pages, typewritten; B-3) Guide, number 02/TD, dated 30 Aug 69, signed by Tran Long, Chief of the Political Section, F55 ((possibly 272nd Regiment, 9th VC Division)), forwarded to various Z ((possibly Battalion)) Party Committees and H ((possibly Company)) Party Chapters, prescribes additional criteria for the emulation phase to be conducted from 30 Aug to 20 Sep 69.

In compliance with an order of Doan 54 ((possibly 9th VC Division)), the commanders of subordinate units should tightly control their men to discover reactionary personnel ((possibly meaning prospective defectors or deserters)) and indoctrinate them to preserve the secrecy of our ((VC)) activities and locations of base areas, and not to respond to the enemy ((FWMAF/RVNAF)) Chiêu Hồi appeals.

They were also reminded to pay more attention to military training and strengthening their units, so that all combatants will be ready for combat at all times.

A report on the results of the cited emulation campaign should be submitted to B2-F55 ((possibly Political Section, 272nd Regiment)) prior to 22 Sep 69.
